Our Vision

Reaching out to marginalized children, empowering them, bringing smiles, and making them future-ready.

OUR MISSION

Inspire and empower people towards the culture of giving by changing the lives of the children in need by making them ready for tomorrow.

Preface

Child Help Foundation (CHF) is a pan-India non-profit organization dedicated to empowering marginalized and underprivileged communities, with a steadfast focus on children's health, education, gender equality, and holistic well-being.

For over 14 years, CHF has been a beacon of hope for vulnerable families across India—delivering humanitarian aid, healthcare, nutrition, and education through a compassionate, integrated approach. Each initiative is driven by one vision: to create a world where every child thrives with dignity, opportunity, and hope.

In the field of education, CHF has transformed learning by establishing Mini Science Centres (MSCs) in Ashram Schools across Maharashtra's Palghar district. These centers make science and mathematics engaging and accessible through interactive models, nurturing curiosity and strengthening STEM learning.

Expanding its digital reach, CHF has also set up computer labs in schools such as the Central Primary School (Marathi Medium) in Amboli, Dadra & Nagar Haveli, and Tailika Balika Vidyalaya in Barbigaha, Bihar. These labs equip students with essential digital skills, helping bridge the technology divide

and prepare them for a rapidly evolving world.

Beyond academics, CHF is deeply committed to children's health and safety. Through free school health screenings, health camps, nutrition drives, and awareness programs, CHF ensures early detection, timely intervention, and holistic care—so no child's learning journey is hindered by illness.

Promoting gender equality and child protection is another cornerstone of CHF's mission. The foundation regularly conducts gender sensitization sessions, along with POSH (Prevention of Sexual Harassment) and POCSO (Protection of Children from Sexual Offences) awareness programs across India. These sessions empower children, teachers, and communities to build safer, more inclusive spaces that uphold dignity and respect for all.

To date, CHF has positively impacted the lives of over **51 lakh** people across India—uplifting communities, restoring hope, and paving the way for a more equitable future. Guided by the belief that every child deserves the chance to realize their full potential, Child Help Foundation continues to stand as a symbol of compassion, change, and resilience.

Restoring Childhood, Rebuilding Futures

The year 2024–25 marked a significant milestone in Child Help Foundation's unwavering journey towards building a nation where every child is assured of a protected, empowered, and dignified childhood. Anchored in the belief that every child deserves a life of opportunity and hope, this year's theme, **"Restoring Childhood, Rebuilding Futures,"** reflects our resolute commitment to alleviating immediate suffering and sowing the seeds of long-term transformation.

This year, CHF reached **3,90,871** children and families through our multi-dimensional interventions. From supporting critical medical emergencies to enhancing learning environments for underprivileged children, our actions were focused on restoring what many children had lost: safety, health, stability, and access to opportunities, and rebuilding pathways that lead to a brighter, more secure future. We have stayed committed to a dual approach: **healing the present and strengthening the future.**

Our efforts were particularly impactful in:
Climate Action and Crisis Response: CHF provided emergency medical support, disaster relief, and psychosocial care to children affected critical illnesses or natural disasters. Environmental Stewardship (SDGs 14 and 15) was reflected through beach clean-ups, tree plantations, and animal welfare projects, while humanitarian relief efforts (**SDGs 11, 13, and 17**) provided urgent support to communities in crisis.

Bridging Gaps in Education and Health: Through our education and health verticals, **26,422** children accessed learning opportunities, and **424** received preventive or curative healthcare. Our Baby Feeding Centres served over **1,10,521** beneficiaries,

ensuring nourishment for the youngest and most marginalized. The distribution of baby sleep sacks and awareness campaigns on maternal and child health underscored our holistic approach to well-being. We conducted vital awareness sessions on child safety (POCSO) and digital wellness, equipping young minds with the tools to thrive in a rapidly evolving world. Infrastructure enhancements, including renovated schools and **STEM labs**, laid the groundwork for sustainable learning environments.

Tackling Hunger and Malnutrition: We delivered over **26,365** nutritious meals, helping children grow with strength and dignity.

WASH: With a strong emphasis on clean water, hygiene, sanitation, and menstrual health, our programs reached **5,811** beneficiaries, with a particular focus on adolescent girls.

Gender Equality: remained a cornerstone of our efforts, with **150,939 individuals** benefiting from POSH training sessions, leadership programs, and advocacy campaigns against gender-based discrimination. Our collaborations with corporations, educational institutions, and grassroots organizations amplified our impact, fostering safer and more inclusive spaces for women and girls.

This theme is a **bridge between past hardship and future hope.** It resonates emotionally with our donors, volunteers, and communities, who play a vital role in this journey. It's not just about what we give, but what we help restore. Through these collective efforts, CHF continues to stand as a beacon of compassion and change, restoring what was lost and rebuilding what is yet to come.

Our Founders & Trustees

RAJENDRA PATHAK

SUNIL VARGHESE

JUGENDER SINGH

We extend our heartfelt gratitude to everyone who contributed to the success of the 2024-25 year. Words cannot fully capture our appreciation for the dedication of our volunteers, partner NGOs, workforce, and sponsors. Since the founding of Child Help Foundation, our mission has been to assist as many individuals as possible. Through fourteen years of dedicated work, we have positively impacted the lives of 51,28,001 people across India. By focusing on investing in children, we are also investing in the future of our nation. We hope these children achieve great things and make significant contributions to the country's success. As the new year approaches, we look forward to bringing joy to even more people throughout India. We are committed

to supporting the United Nations in achieving its Sustainable Development Goals (SDGs). Our goal is to ensure that by 2030, everyone in India can experience peace and prosperity. Giving back to the community aligns with the UN's objectives, and we believe that, with the support of our corporate sponsors, individual donors, advisory team, workforce, and volunteers, we can realize our aspirations. In the years to come, we aim to spread positivity and expand our efforts to assist even more individuals in need. We are grateful for your unwavering support and blessings throughout our journey; your selfless contributions have been vital in helping us achieve our goals. Thank you for being part of our mission.

From The Desk of The Executive Director

JIFI JOHN

Children are beaming with untapped potential, and investing in them can change our nation for the better. When a child gets educated, he uplifts his family and nation along with him. Yet, poverty and illness go hand in hand, and a child's education can come to a sudden halt in an instant due to critical illness. These illnesses destroy years of progress that children have worked hard for, and it is during this time that they need our help. Throughout the year 2024-25, we have done our best to provide for as many children as possible. We hope to increase this number in the coming years and also to work on new ventures. In the financial year 2024-25, our team of donors, volunteers, and workforce worked selflessly to fulfill our goals and mission. Our Healthcare Programme has saved children from terminal medical

illnesses and provided lactating mothers with safe spaces. Eradicating Hunger Programme catered to underprivileged people and made sure hunger didn't bother their minds during sleep. Children were empowered with education in the Education Programme initiative. Clean Water and Sanitation Programme helped people through covered menstrual health, toilet construction, installation of water purifiers, and other activities. Lives of disaster affected people were saved, and the lives of villagers were made better through our village development scheme. Plants and animals were helped through our Climate Action initiative, which included feeding drives and plantation drives, and garbage were collected from various beaches throughout India, which saved the lives of marine species, with the help of our friends at Beach Army. I am grateful to my team of volunteers, donors, and corporate sponsors for working with full zeal and dedication to deliver these numbers. Through their tireless work, they made the impossible possible. I am hopeful that the future will bring us more opportunities to help more people in the future with our various programmes and initiatives.

JIFI JOHN
EXECUTIVE DIRECTOR

From The Desk of The CEO

SHAJI VARGHESE

Dear Well-Wishers, on behalf of Child Help Foundation, I extend my heartfelt gratitude to every one of you for your unwavering and relentless support in the financial year 2024-2025. Your selfless efforts have proven to be of utmost importance in helping us fulfill our goals and missions.

We have always strived to improve society through our activities and campaigns. Our core belief is that every individual, regardless of their background, deserves access to quality education, healthcare, and meals.

Throughout our journey, we have faced numerous challenges, but with the collective efforts of our dedicated team, we have overcome them all. I truly believe and follow that 'Humanity is our religion' and henceforth work to ensure an educated, healthy, and sustainable future for the weaker section of society

and build a better tomorrow for today's children.

In the year 2024-2025, thanks to our donors, partners, and volunteers, we have been able to support underprivileged children through medical emergency cases and also provide education to children across the country, truly embodying our goal of Restoring Childhood, Rebuilding Futures.

Even after all these years, we still see this as only the beginning and expect to continue helping change people's lives in the years to come. We are doing everything we can to make sure that everyone in the country who is less fortunate has access to the essentials of life. Without your crucial and kind help, Child Help Foundation couldn't do everything.

The programmes which delighted many households are presented in the annual report. Their happiness increases our motivation to continue our work with more zeal and dedication.

I am proud to share the annual report of Child Help Foundation for the year 2024-2025. Child Help Foundation loves giving back to the community. We are extremely grateful to our donors, volunteers, and sponsors for helping us bring smiles to the faces of so many people in India.

Appreciation Letter from Chief Minister of Maharashtra

Child Help Foundation received an Appreciation Letter from the Hon'ble Chief Minister of Maharashtra, Shri Devendra Fadnavis. This recognition from the highest office in the state is a true honour and serves as a powerful encouragement for us to continue our mission with renewed enthusiasm and purpose.

Appreciation Letter from Deputy Chief Minister of Maharashtra

We are deeply honoured to share that Child Help Foundation has received a letter of appreciation from the Hon'ble Deputy Chief Minister of Maharashtra, Shri Eknath Shinde. His encouraging words serve as a powerful motivation for all of us at CHF to continue working with greater zeal and purpose.

Objectives and Activities

Healthcare Programme | SDG 3 Good Health and Well-being

Good Health and Well-being, one of the 17 Sustainable Development Goals by the United Nations, seeks to ensure healthy lives and well-being for all. At Child Help Foundation (CHF), our Healthcare Programme aligns with this mission, ensuring timely and quality healthcare for every child, regardless of socio-economic status. We provide life-saving support including complex surgeries, emergency aid, health camps, and awareness drives in underserved areas. Through Emergency Medical Support, we have transformed young lives across India, giving children hope, health, and a brighter future.

4,226 Children Treated

2,29,010 Lactating Mothers Helped

5,12,010 People Reached

Education Programme | SDG 4 Quality Education

Sustainable Development Goal 4 seeks inclusive, equitable, quality education and lifelong learning for all. It focuses on free education for children and youth, skill development for employment, and eliminating gender disparities. Child Help Foundation (CHF) aligns with this mission through its Education Programme, empowering underprivileged children by bridging educational gaps. To date, CHF has positively impacted young lives, granting free access to education. This initiative fosters academic growth and builds a more just, knowledgeable society, where every child is given the chance to learn, grow, and thrive.

5,17,336
Children Educated

Objectives and Activities

Eradicating Hunger Programme | SDG 2 Zero Hunger

“Zero Hunger,” one of the United Nations’ Sustainable Development Goals, strives to end hunger, achieve food security, improve nutrition, and promote sustainable farming. SDG 2 highlights the vital links between food, nutrition, rural growth, and agriculture. Child Help Foundation (CHF) responds through its Eradication Hunger programme, supporting underprivileged individuals across India with nutritious meals, ration kits, and essential supplies. By tackling hunger at its root, we provide relief while promoting dignity and long-term well-being, ensuring no child sleeps hungry and every family receives proper nourishment to thrive.

25,93,622

People Fed

Gender Equality and Empowering Women Programme | SDG 5 Gender Equality

Sustainable Development Goal 5, Gender Equality, aims to guarantee that women and girls everywhere enjoy equal rights, opportunities, and freedom from discrimination. It emphasizes eliminating all forms of inequality and supports the global pledge to “Leave No One Behind.” Child Help Foundation (CHF) advances this mission through its Gender Equality and Empowering Women programme. By conducting awareness drives, education sessions, health initiatives, and safety campaigns, CHF has impacted individuals nationwide, breaking gender stereotypes, promoting equal opportunities, and empowering women and girls to live with dignity, safety, and confidence.

2,37,834

on Gender Equality

Objectives and Activities

Clean Water and Sanitation Programme | SDG 6 WASH

Sustainable Development Goal 6 (SDG 6), established by the United Nations, underscores the importance of ensuring clean water and sanitation for all – a fundamental human right and a foundation for sustainable development. Under our WASH (Water, Sanitation, and Hygiene) programme, Child Help Foundation (CHF) proudly contributes to this critical global mission. We have reached and improved the lives of individuals by facilitating access to safe drinking water and promoting proper sanitation in underserved communities across India. By aligning with SDG 6, CHF is actively working towards a healthier and more dignified life for all – creating ripples of change, one drop at a time.

1,20,892

people were helped

Rural Development Projects | SDG 8,10

Child Help Foundation (CHF) launched the Bazaarhaat Community Development Project in Gulabigaon (Bhintghar community), Nashik, Maharashtra, to empower individuals through a business hub that enables entrepreneurship and sustainable livelihoods. The initiative provides infrastructure, training, and skill development, creating employment opportunities and enhancing economic stability. To date, CHF have been positively impacting, fostering self-reliance and community growth.

2,187

Objectives and Activities

Climate Action | SDG 11,13, 14 & 15

Child Help Foundation (CHF) aligns with the United Nations Sustainable Development Goals SDG 13 (Climate Action), SDG 14 (Life Below Water), and SDG 15 (Life on Land). Through various initiatives individuals have been engaged in marine conservation, supported through biodiversity and animal welfare programmes, and assisted with climate action and humanitarian relief. These efforts demonstrate CHF's commitment to sustainability while safeguarding the planet and uplifting communities.

2,10,96,120 Marine Lives Saved

67,447 Animals and Trees

11,42,809 People were helped

Partnerships for the Goals | SDG 17

Sustainable Development Goal 17 (SDG 17), "Partnerships for the Goals," underscores the need for collective action to achieve sustainable development. Through collaborations with Government bodies, corporates, NGOs, and community leaders, Child Help Foundation has strengthened implementation efforts and positively impacted the lives of beneficiaries, reflecting the power of meaningful partnerships in driving lasting change.

SUCCESS STORIES

Dear Well-Wishers,

Child Help Foundation (CHF) continues to uphold its core belief that humanity is our religion. The organization firmly believes that every child, regardless of their background, deserves access to quality education, healthcare, and nutritious meals. Guided by this principle, CHF has worked tirelessly to uplift underprivileged communities and create lasting, positive change in their lives.

In the financial year 2024–2025, with the collective support of donors, partners, and volunteers, CHF successfully supported 424 medical emergency cases and provided quality education to 26,422 children across India. These numbers represent not just data, but stories of hope restored, futures rebuilt, and lives transformed.

The organization's journey has not been without challenges. Yet, it is the trust and encouragement of its supporters that keep CHF moving forward—with renewed zeal, compassion, and dedication. The gratitude and happiness reflected in the communities it serves continue to inspire the foundation to strive harder every day.

The Annual Report 2024–2025 encapsulates stories of courage, progress, and compassion. They are testaments to what collective humanity can achieve when united by purpose. These accomplishments stand as shared victories between CHF and its well-wishers.

Medical Success Stories

Before

After

1. **Ayush Raj**, 9 Years Acute Lymphoblastic Leukemia

Once weakened by blood cancer, Ayush underwent a successful operation at Rainbow Children's Hospital. With the support of Child Help Foundation and generous donors, he is now on the path to recovery and reclaiming his childhood.

Before

After

2. **G. Vihaath**, 5 Years Adenotonsillitis

As a single mother caring for her bedridden mother, G. Sirisha Reddy struggled to afford treatment for her son suffering from Adenotonsillitis. But with help from Child Help Foundation donors, her son recovered and found his strength again.

3. **Rohini Bhatia**, 8 Years Nasopharyngeal Rhabdomyosarcoma

Once silenced by a rare cancer, Rohini has now regained her laughter after a successful recovery at HCG Aastha Cancer Centre. With support from Child Help Foundation and generous donors, she is healthy again and looking forward to a brighter tomorrow.

Before

After

4. **Aaref Khan**, 10 Years Heart Disease

Born with a weak heart, Aaref's battle ended in victory after a successful Bentall Surgery at Fortis Hospital, Gurugram. With the help of Child Help Foundation and caring donors, he is now recovering and embracing a healthier future.

Medical Success Stories

Before

After

5. B/O Amish Kumari Twin 2

11 Days

Premature Birth Complications

Once fighting for her life as a premature baby, Suresh Kumar's little daughter spent weeks in the NICU. With timely medical intervention, the support of Child Help Foundation, and the generosity of donors, she has now recovered.

Before

After

6. Pavan Sandesh, 15 Years

Complex Heart Disease

Thanks to donors and doctors at Apollo, Hyderabad, Pavan underwent life-saving Aortic Stenting. His journey from pain to recovery proves the power of compassion and human resilience.

Before

After

7. Shalini, 9 Years

Complex Heart Disease

Battling complex heart disease, young Shalini showed incredible strength. With her father Baskar's resolve and donor support, she received life-saving care at Apollo Institute, Telangana.

Before

After

8. Vedant, 1 Year

Complex Heart Disease

With unwavering donor support, Vedant underwent life-saving ASD closure with LPA plasty—a powerful victory over adversity, bringing new hope for a bright and healthy future.

Medical Success Stories

9. Baby of Manga, 78 Days Premature Birth Complications

N. Manga's premature baby fought for life at Rainbow Hospital. Thanks to Child Help Foundation and donors, the baby survived—bringing joy to the family and proving the power of compassion.

10. Baby of Asma, 1 Day Premature Birth Complications

Amid the joy of their firstborn, Asma and Mohd Sarfaraz faced a crisis—their baby needed urgent NICU care. Thanks to generous donors, he received life-saving support and is now safely in their arms.

11. Mithi, 4 Years Left Scapula Tumor

Four-year-old Mithi's life was at risk due to a tumor, but her father, a daily wage earner, couldn't afford treatment. With help from Child Help Foundation and kind donors, Mithi was given a second chance.

12. Ruhi Tiwari, 2.5 Years Complex Heart Disease

Despite a weak heart, little Ruhi's spirit never dimmed. Thanks to her parents' devotion and generous donors, she underwent life-saving surgery at Paras Hospitals, Haryana, emerging strong and full of hope.

Medical Success Stories

Before

After

13. Baby of Pushpavathi, 5 Days Premature Birth Complications

When Pushpavathi gave birth in her seventh month, fear took hold. But in her darkest hour, generous donors became her miracle. Today, her baby is safe in her arms, a precious gift of hope and healing.

Before

After

14. Ibrahim, 15 Years Multiple Serious Injuries

Little Ibrahim was diagnosed with Bilateral CTEV, making it hard for him to walk. His parents couldn't afford the surgery, but with help from Child Help Foundation's donors, he's now completely cured.

15. Samruddhi Dhage, 15 Years Multiple Serious Injuries

Samruddhi, once fighting for her life after a tragic fall, has now recovered and returned to her dreams of becoming a doctor. Her family extends heartfelt gratitude to Child Help Foundation and its donors for making this miracle possible.

Before

After

16. Aayat Parbin, 9 Months Heart Disease

Today, Aayat lives a healthy life, but she once battled a fatal heart disease her parents couldn't afford to treat. Thanks to Child Help Foundation and our generous donors, her surgery was a success.

Medical Success Stories

17. Twins of Shalini, 5 Days Premature Birth Complications

Shalini and her husband were overjoyed to learn their premature twins were finally out of danger. With generous support from our donors, the babies received the care they needed and got a new lease on life.

18. Gurfateh, 4 Years Complex Heart Disease

Gursewak and Manpreet were devastated when their 4-year-old son Gurfateh was diagnosed with complex heart disease. Thanks to our donors, he received treatment and now lives a happy, healthy life.

19. Yuvi, 2 ½ Years Complex Heart Disease

Just 2½ months ago, baby Yuvi faced serious heart complications. His family couldn't afford the costly treatment, but thanks to the donors at Child Help Foundation, he's now living a healthier, happier life.

20. Baby of Jagadeeshwari 41 Days Premature Birth Complications

Jagadeeshwari and Balsubramaniam's newborn suffered from a severe breathing disorder and needed urgent care. With help from our generous donors, the baby received treatment and now breathes with ease.

Medical Success Stories

21. Baby of Swathi, 10 Days Premature Birth Complications

Ram and Swathi were devastated by their newborn's critical health condition and couldn't afford the treatment. With the support of our generous donors, their child received care and is now healthy and thriving.

Before

After

22. Aryan Giram, 6 Years Complex Heart Disease

At just six, Aryan had a hole in his heart and needed open-heart surgery. His family couldn't afford the treatment, but thanks to the donors of Child Help Foundation, he's now safe, healthy, and happy.

Before

After

23. Apoorva Paul, 4 Years Congenital Heart Disease

For four years, Apoorva Paul lived without peace due to a severe heart condition. Her father, a Rapido driver, couldn't afford the treatment. But thanks to Child Help Foundation's donors, she got the care she needed and now lives a better life.

Before

After

24. Amruta, 8 Years Thoraco Lumbar Kyphoscoliosis

Kyphoscoliosis made walking a struggle for Amruta, leaving her feeling hopeless. Her parents couldn't afford treatment—but thanks to Child Help Foundation's donors, Amruta received care and now lives without fear.

Medical Success Stories

Before

After

25. Baby of Annamma, 14 Days Premature Birth Complications

Annamma and Naijo's joy turned to worry when their baby was born in the seventh month, weak and in need of NICU care. Unable to afford it, they turned to Child Help Foundation—whose donors made the impossible possible. Today, their baby is safe and healthy.

Before

After

26. Shivprasad, 1 Years Extreme Gross Hydrocephalus Repair

Living with Hydrocephalus was a nightmare for Shivprasad, but his family couldn't afford treatment. After approaching Child Help Foundation, his case was verified and supported by donors, saving him from the worst.

Before

After

27. Noor Fatima, 8 Years Heart Disease

Noor Fatima lived with an undiagnosed heart condition that hindered her growth. Thanks to timely treatment and the generous support of Child Help Foundation's donors, she's now on the path to a healthy, hopeful future.

Before

After

28. Hayau Mariyam, 5 Years Complex Heart Disease

Five-year-old Hayau Mariyam from Kozhikode, Kerala, battled heart disease and relied on medication. Thanks to Child Help Foundation's kind donors, she got crucial treatment and is now smiling bright on her road to recovery.

Medical Success Stories

Before

After

29. Baby of Sai Deepthi, 21 Day Premature Birth Complications

A premature baby girl born on 14 May 2024 faced serious health issues. Thanks to urgent care and Child Help Foundation donors, she's now recovering, bringing hope and joy to her family.

Before

After

THANK *For Bringing Smiles* YOU

Baby Feeding Center

Baby Feeding Centres (BFCs) are not just facilities for mothers to feed their babies, but also a step towards making public spaces more accessible and inclusive for nursing mothers. The primary aim of these centres is to provide a safe and comfortable haven for breastfeeding, addressing the stigma that often surrounds public breastfeeding in India and many other parts of the world. Due to limited options, mothers are often left with no choice but to breastfeed in uncomfortable conditions. BFCs are thoughtfully designed with cushions, sofas, and ceiling fans to ensure comfort for both mother and child.

In the financial year 2024–25, eight new Baby Feeding Centres (BFCs) were established at Majestic, Yeshwantpur, Kengeri Bus Terminal, and Baiyappanahalli Metro Stations in Bengaluru; Puri Railway Station in Odisha; Shornur in Kerala; Civil Hospital, Gurugram; and Taluk Government Hospital, Bengaluru. With these additions, a total of 31 BFCs are now operational across India.

To further promote the use of these centres, Child Help Foundation (CHF) organised Street Play Awareness Programmes at Palghar and Boisar Railway Stations. CHF interns performed an engaging street play on maternal and child health, spreading awareness about the importance of Baby Feeding Centres in supporting mothers and infants.

In a city as expensive as Mumbai, most underprivileged families cannot afford the financial burden of travel and accommodation during medical treatment. To address this challenge, Home for BMT provides residential support in Bhayandar for major paediatric patients undergoing treatment at Kokilaben Dhirubhai Ambani Hospital and Medical Research Institute. The facility offers lodging for patients, their families, and donors, along with round-the-clock support staff, a doctor-prescribed diet, tuition classes, recreational activities, and post-transplant care.

Home for BMT's significance was demonstrated when its first patient, Aarav Kumar, successfully underwent a Bone Marrow Transplant (BMT) for Thalassaemia. After discharge, he continued his observation period while residing at the facility. By easing the burden of accommodation and related expenses, the initiative ensures equitable access to healthcare for children from remote regions who would otherwise struggle to reach treatment centres in Mumbai.

Between April 2024 and March 2025, Home for BMT, an initiative of Child Help Foundation (CHF), supported 24 children and their families, offering safe accommodation, emotional support, and access to healthcare during critical treatment phases. In addition to residential care, the initiative promoted awareness and community engagement. An awareness session on Thalassaemia, conducted by CHF volunteers with the assistance of interns from Bengaluru, Vadodara, and Mumbai, benefited more than 70 participants. A Children's Day celebration was also organised for 24 children undergoing or recovering from treatment, featuring drawing, painting, games, and dance, with sweets and gifts distributed to uplift spirits.

Home for BMT further fostered emotional wellness and unity by celebrating Independence Day with a painting competition, cultural performances by patients and staff, and fruit distribution. Through comprehensive residential and supportive care, Home for BMT continues to stand as a life-saving option for families from remote areas, promoting health equity and improved treatment adherence.

Home for BMT – Case Summaries

TB Awareness under Pradhanmantri TB Muk Bharat Abhiyaan

Mumbai, Maharashtra

Child Help Foundation (CHF) organised a series of initiatives to raise awareness and support patients under the Pradhanmantri TB Muk Bharat Abhiyaan. A “Wish Tree” activity was held at Chennai, where residents shared heartfelt messages promoting solidarity and education on TB prevention. The initiative reflected a strong commitment to public health through creative community engagement.

In collaboration with Filaantro, the National Tuberculosis Elimination Programme (NTEP), and Brihanmumbai Municipal Corporation (BMC), a Nutrition Kit Distribution Drive was conducted in Mumbai under the Pradhan Mantri TB Muk Bharat Yojana. Mr. Mahindra Patil, Product Marketing Managers (PMM), Mulund, attended the event, where TB-affected patients received nutrition kits containing rice, flour, groundnuts, oil, and other essentials to aid recovery. This initiative marked the expansion of monthly nutrition support into Mumbai to strengthen efforts for a TB-free India.

Additionally, monthly nutrition kit drives were organised at the TB Hospital in Mulund, Maharashtra. Forty financially vulnerable TB patients from both government and private hospitals were provided with protein-rich ration kits. The hospital identified and invited eligible patients, ensuring that the support reached those most affected by the high costs of treatment and low household income. These kits aimed to improve nutrition, thereby contributing to better treatment outcomes and recovery.

Reproductive Health Awareness Sessions

Pan India

On the occasion of International Women's Day, Child Help Foundation (CHF) organised a sanitary pad distribution drive for underserved women and girls, promoting menstrual hygiene and dignity.

With CSR support from Samata Equal Footing, a women's health and nutrition awareness session was conducted in Gorthan village, Palghar, Maharashtra. The session, led by Adolescent Reproductive & Sexual Health (ARSH) experts, focused on reproductive health and key nutrition practices. Additional concerns related to education and water were also addressed. Women and girls participated, expressing appreciation and requesting more such initiatives in the future.

In collaboration with CSR partner Rentokil Initial, a Menstrual Hygiene Awareness session was organised in Mumbai Suburban. The session educated participants on menstrual health, hygiene practices, and the importance of breaking taboos. Sanitary pads were distributed to all attendees, benefiting women and girls. The initiative helped raise awareness while promoting health and dignity.

Doctor's Day Felicitation Ceremony

Pan India

Child Help Foundation (CHF), in collaboration with Mangala Foundation and Filaantro, hosted a Doctor's Day Felicitation Ceremony to honour gynaecologists and paediatricians for their dedicated service to underserved women and children. The event brought together esteemed healthcare professionals and dignitaries, recognising their tireless commitment through the presentation of mementoes and certificates. Beyond celebration, the ceremony fostered meaningful dialogue on strengthening medical infrastructure across regions and advancing accessible, quality paediatric and maternal healthcare—reflecting a shared, pan-India vision for healthier communities.

Awareness Session on Critical Disease

Kosli, Haryana

Child Help Foundation (CHF) participated in a child welfare initiative by setting up an NGO stall at Government Girls Senior Secondary School, Kosli, organized under the National Commission for Protection of Child Rights (NCPCR) and Haryana State Commission for Protection of Child Rights (HSCPCR). CHF provided guidance, support, and patient referrals to individuals, contributing to the outreach effort. The event, attended by dignitaries including Mrs. Preeti Bhardwaj Dalal (NCPCR) and Mrs. Parveen Joshi (HSCPCR), highlighted multi-stakeholder collaboration and reinforced CHF's commitment to health equity, child protection, and long-term community impact.

Baby Sleep Sack Distribution

Haryana, Delhi & Maharashtra

Child Help Foundation (CHF), along with its crowdfunding platform Filaantro, organized Baby Sleep Sack Distribution Drives across India to support underprivileged families. These drives provided essential baby sleep sacks, promoting safe sleep practices, neonatal health, and protection against harsh winter conditions. Events were held in New Delhi, Rewari (Haryana), and Santoshbhavan (Mumbai Suburban), reaching hundreds of infants and mothers. The initiative received strong support from local authorities, community leaders, and volunteers, ensuring smooth distribution and awareness about infant care, hygiene, and safety. Through this effort, CHF and Filaantro aim to improve neonatal well-being and empower communities with better child care resources.

Cancer Awareness Sessions

Pune, Maharashtra

Child Help Foundation (CHF) conducted multiple Cancer Awareness sessions across schools in Pune to foster empathy, compassion, and early social responsibility towards childhood cancer. These sessions were organised at K-Tech School, S.V.S. High School, Khadki, Kil Bil High School, Janwadi, Kidz Paradise School, Alandi, Gyan Jyoti School, and Cyrus Poonawalla School, helping students understand the importance of awareness, early detection, and support for children battling cancer. Through interactive discussions and age-appropriate activities, students learned how simple acts of kindness can make a meaningful difference. The initiative also encouraged young minds to become informed, responsible advocates for health within their communities.

World Heart Day Celebration

Pan India

On World Heart Day, Child Help Foundation (CHF) celebrated the remarkable recovery of children who underwent life-saving heart surgeries last year, across six of its offices as part of the “Swasthya se Shiksha Tak” initiative. The event highlighted the children’s inspiring journey from healing to learning, with CHF distributing specially designed T-shirts and stationery kits to mark this milestone. Families gathered locally to share their joy and gratitude, while those in distant areas sent heartfelt messages, showcasing the strong sense of community. The celebrations once again reflected CHF’s unwavering commitment to holistic child development, ensuring not only physical health but also educational growth and emotional well-being.

Participation in Global Digital Health Summit and Innovation Award

Mumbai, Maharashtra

Child Help Foundation (CHF) attended the Digital Health Summit & Innovation Award at the Jio Convention Centre, BKC, where leaders and innovators came together to shape the future of healthcare. During the Global Digital Health Summit 2024 (GDHS), Mr Kushwaha, parent of a child staying at Home for BMT and a speaker at the event, was honoured with a trophy recognising his inspiring health journey and highlighting CHF’s continued efforts to improve access to healthcare innovation for underserved communities.

Mental Health Awareness Session

Palghar, Maharashtra

Child Help Foundation (CHF) recently conducted a mental health awareness session at Dehere Ashram Shala in Palghar, specifically for adolescent girls. The session was led by IAS Ms. Karishma Nair, former Program Officer of the Integrated Tribal Development Project (ITDP). It focused on helping students cope with emotional distress, understanding the value of life, and building resilience in the face of challenges. Through real-life stories, motivational talks, and interactive discussions, the session aimed to inspire the girls, encourage self-confidence, and promote positive mental health habits, fostering a supportive and aware school community.

Utility Table Support

Bengaluru, Karnataka

Child Help Foundation (CHF) has supported Sir C.V. Raman Hospital, Indiranagar, Bengaluru, by donating a Utility Table to enhance hospital operations and service delivery. This contribution reflects CHF's ongoing commitment to strengthening public healthcare infrastructure and ensuring that hospitals are better equipped to meet patient needs. By addressing specific operational requirements, the donation helps improve efficiency and directly enhances the patient experience. Though modest in scale, this initiative plays a vital role in empowering frontline healthcare workers with better resources, contributing to higher-quality care and smoother hospital functioning overall.

Digital Laboratory Support

Bengaluru, Karnataka

Child Help Foundation (CHF) enhanced digital infrastructure at Taluk Government General Hospital, Hoskote, Bengaluru. Identifying the need for upgraded systems in the Billing and Administration Department, CHF enabled a CSR partnership with Anthology International Pvt. Ltd., leading to the donation of desktop computers and laptops. This initiative aimed to boost administrative efficiency and reflects CHF's commitment to public health and collaboration.

Patient Safety Program

Bengaluru, Karnataka

On the occasion of the Patient Safety Program organized by Viswasai College of Nursing in Bengaluru, Child Help Foundation (CHF) was invited as one of the chief guests. The event emphasized the critical importance of patient safety in clinical settings, highlighting best practices, safety protocols, and strategies to prevent medical errors. It encouraged future healthcare professionals to prioritize quality care and adopt a patient-centered approach in their practice. The presence of CHF volunteers reinforced the organization's ongoing commitment to health advocacy, community engagement, and collaboration with medical institutions to promote safer healthcare environments.

Sports Mela Celebration

Palghar, Maharashtra

Child Help Foundation (CHF) in collaboration with Servier India PVT LTD organised a vibrant Sports Mela at Bhopoli Ashram Shala, Palghar, Maharashtra. Students participated in various athletic and fun activities, promoting teamwork and sportsmanship. Trophies and prizes were awarded to the winners. Servier representatives deputed as CHF teachers actively encouraged the students, making the event lively and memorable. The initiative fostered healthy competition and highlighted the role of fitness in student development.

Health Screening

Gurugram, Haryana

Child Help Foundation (CHF), in collaboration with Richa Global and Hanna Andersson, organised a medical camp at Government Girls Model Sanskriti Primary School, Gurugram. The camp offered health screenings and awareness sessions on hygiene, healthy habits, and emotional safety. Medical partners, Tomfrank Optometrists, Whistle and Smile (supported by Clove Dental), and CHF's team, provided eye, dental, and general check-ups, promoting timely healthcare and holistic child well-being.

Blood Donation Drive

Delhi

Child Help Foundation (CHF) organised a blood donation camp in Delhi, encouraging individuals to contribute towards saving lives. The initiative aimed to raise awareness about the importance of regular blood donation and foster a spirit of compassion and community service. Volunteers and donors came together to support the cause, emphasising how a single unit of blood can make a life-saving difference. The camp not only promoted health consciousness but also strengthened the culture of giving back to society.

4 QUALITY
EDUCATION

EDUCATION PROGRAMME

Education Programme

According to United Nations estimates, without urgent action, 84 million children could remain out of school by 2030, and 300 million may be deprived of basic literacy and numeracy skills. At Child Help Foundation, we are committed to changing this reality. Through our initiatives, we have provided free education to 26,422 children in the FY 24-25, giving them the opportunity to learn, grow, and build a brighter future.

School Infrastructure Development

Karnataka, Kerala, Tamil Nadu, Haryana & Delhi

Child Help Foundation (CHF), in collaboration with The Thought Bulb and E&Y employees, is driving sustainable change in education through innovative infrastructure projects across multiple locations. In Bengaluru, chairs and tables made from recycled tyres were donated to Nammur Government Higher Primary School, while in Kochi, eco-friendly desks and chairs were distributed to three schools, benefitting sixteen students. Shishu Shala School in Rewari, Haryana, was also renovated to provide a cleaner, safer environment for children. Additionally, CHF was invited by The Thought Bulb to an inspiring event at Hyatt Gurugram, where artistic desks, chairs, and bicycles were donated to students from Delhi government schools.

Interactive Learning Activities

Mumbai, Maharashtra

Child Help Foundation (CHF) has collaborated with Caring Hands Organisation, Mumbai, to provide holistic learning experiences for children. Interactive activity sessions with interns from Nanawati College combined skill-building games, focus exercises, and lessons on good behaviour, enhancing memory, cognition, and social interaction. CHF also participated in the Caring Hands Anniversary celebration, which featured performances, games, and community engagement. Previous support included building a dormitory, providing educational materials, and conducting volunteer-led activities, reflecting CHF's commitment to fostering joyful learning and collective impact.

School Bags & Stationery Distribution Drive

Rewari, Haryana

Child Help Foundation (CHF) conducted school kit and stationery distribution drives at Government Girls Senior Secondary School, Rewari, and Government School, Kosli, Rewari. At Rewari, students received school bags, stationery kits, and medals, with toppers specially recognised, while in Kosli, notebooks, pens, pencils, and other essentials were distributed. These initiatives promoted academic excellence, reduced educational burdens, and encouraged inclusive learning, reflecting CHF's commitment to empowering underprivileged students and ensuring equal access to quality education.

Inverter Set Installation

Rewari, Haryana

Child Help Foundation (CHF) installed an inverter set at Government Senior Secondary School, Hansaka, Rewari, to address frequent power outages during the summer. This initiative ensures an uninterrupted power supply, enabling students and teachers to continue educational and administrative activities without disruption. Benefitting individuals, the project supports a conducive learning environment and reflects CHF's commitment to improving school infrastructure and energy access for better education delivery.

Educational Programme

New Delhi

Child Help Foundation (CHF), in collaboration with Corporate Wave Infratech, has launched a Children's Education Programme in the underprivileged area near Molarband Extension, South Delhi. The initiative consists of enthusiastic young learners and aims to reach more children across various low-income communities through dedicated volunteer support.

Additionally, CHF is supporting the children of women artisans in Delhi through education-supportive classes, ensuring their learning continues without disruption. The foundation also assists these women by providing materials for handicrafts, helping them sustain their livelihoods.

Library Inauguration

Kochi, Kerala

Child Help Foundation (CHF), in collaboration with Pratham Books, Bengaluru, inaugurated three libraries across schools in Kochi — St. Joseph's LPS, Cheriya Kadavu; St. Mary's High School, Kannamaly; and St. Mary's LPS, Chellanam. Serving students, the libraries provide diverse, age-appropriate books to foster literacy, curiosity, imagination, and lifelong reading habits. These initiatives create engaging, child-friendly learning environments and reinforce CHF's commitment to inclusive, equitable, and quality education for underserved communities.

Child Help Foundation Hosts Prize Ceremony

Maharashtra & Delhi

Child Help Foundation (CHF) held a special prize ceremony in Maharashtra and Delhi, under the Child for Child initiative, celebrating the hard work and achievements of the students. The event aimed to inspire confidence, motivate consistent effort, and acknowledge the dedication shown by young learners throughout the year. During the visit, the CHF team also connected with the school trustee, Mr. Rajendra Ghundre Patil, to explore meaningful opportunities for future collaboration. Discussions focused on strengthening educational support, enhancing student welfare, and building long-term partnerships that can benefit the school community. The ceremony not only honoured student efforts but also laid the foundation for continued engagement.

Poster-Making for Mother's Day Celebration

Barbigha, Bihar

Child Help Foundation (CHF), supported by National Fertilizers Limited (NFL), celebrated Mother's Day at M.S. Koyaribigha School, Barbigha, Bihar. The event featured a poster-making competition, guided by CHF team members, where students enthusiastically showcased their creativity and heartfelt appreciation for mothers. The competition encouraged young minds to express gratitude and emotions through art, making the celebration lively and engaging. Prizes were awarded to the top three entries, adding excitement and recognition. The event successfully combined fun, learning, and a meaningful tribute to motherhood.

Colouring Competition

Kochi, Kerala

Child Help Foundation (CHF), in collaboration with Chellanam Grama Panchayath and St. Joseph's LPS, Cheriyakadavu, organized a vibrant competition for Anganwadi children from Wards 4 and 5 of Chellanam. For many participants, it was their first formal competition, designed to nurture creativity and build confidence. The event concluded with a prize and certificate distribution, followed by sweets for all children. This initiative reflects CHF's ongoing commitment to early childhood development and promoting inclusive, supportive learning experiences.

National Science Day Celebration

Beed, Maharashtra

Child Help Foundation (CHF), under the Mini Science Centre project supported by Samata Equal Footing, organized a Science Project Exhibition at Mahajan Guruji Ashram School, Talwada. Guided by teachers and CHF volunteers, students prepared and showcased innovative science models. The event began with a welcome dance and song, followed by speeches from the principal and a CHF volunteer, who emphasized the role of science in daily life and highlighted CHF's initiatives to encourage scientific learning and curiosity among students.

Diwali Greeting Card Competition

Palghar, Maharashtra

Child Help Foundation (CHF) organized a Diwali Greeting Card Competition at ZP School, Gokhivare. The event brought together young students who showcased their creativity through colorful and thoughtful festive card designs. The competition was met with great enthusiasm and joy, reflecting the spirit of Diwali and the children's artistic talents. Stationery gifts were distributed to the participants, generously supported by donors. CHF extends its gratitude to the school management and teachers for their wholehearted support in making this initiative a memorable success.

Student Exposure Visit

Mumbai, Maharashtra

Child Help Foundation (CHF) head office welcomed postgraduate social work students from Sri Ramakrishna Mission Vidyalyaya College of Arts and Science, Coimbatore, Tamil Nadu, for an insightful exposure visit. The session introduced students to CHF's flagship programmes including Emergency Medical Support, Home for BMT, POSH, POCSO, and other community welfare initiatives. The visit provided students with practical insights into NGO functioning and social sector engagement. The interaction aimed to inspire and inform the next generation of social work professionals to implement impactful, community-driven solutions in their future careers.

Cybersecurity and Digital Wellness Training

Maharashtra, Delhi

Child Help Foundation (CHF), in collaboration with Good Shepherd Convent, conducted a Cybersecurity and Digital Wellness session at Royal Academy School, Mumbai Suburban, Maharashtra and in Delhi also. The interactive session focused on online safety, responsible digital behaviour, and protection against cyber threats. Students learned practical strategies to identify cyberbullying, manage screen time, and maintain a healthy digital balance. Through this initiative, CHF aimed to raise awareness and empower students to navigate the digital world confidently, safely, and responsibly, fostering mindful technology use.

National Institute of Open Schooling (NIOS) Scholarship Program Orientation

Palghar, Maharashtra

Child Help Foundation (CHF), with support from Servier India Pvt. Ltd., organized a National Institute of Open Schooling (NIOS) Scholarship Program at Bhopoli Ashram Shala, Palghar. The program aimed to create awareness about the benefits of open schooling and provide scholarship opportunities to deserving students. Ms. Mellany Gajjala guided the students, explaining the advantages of enrolling under the NIOS program. Several students registered for the initiative during the event. Ms. Priyam and Ms. Anita from Servier India Pvt. Ltd. also attended to encourage the students. CHF felicitated the school's Principal, Mr. R. M. Patil, presenting him with a certificate in recognition of his support for education and student development.

Ideation Program

Mumbai, Maharashtra

Child Help Foundation (CHF) participated in the Ideation Program 2024 at SIES Engineering College, Nerul, presenting problem statements addressing key social issues. Student teams developed innovative, tech-based solutions to tackle these challenges. The top-performing team was awarded a drone for their outstanding approach. The program fostered critical thinking, creativity, and meaningful collaboration, encouraging students to explore practical applications of technology for social good. By connecting innovation with real-world problems, the event inspired participants to create solutions with tangible societal impact, bridging the gap between technology and social change.

Integrated Education Monitoring

Bihar

Child Help Foundation (CHF) appointed four teachers—one each for the Mini Science Centres at M.S. Maur and M.S. Koyaribigha School in Barbigha block, Sheikhpura, and three for computer labs at Tailik Balika High School, Madhya Vidyalaya Samas, and Madhya Vidyalaya Lodipur. Regular monitoring visits evaluate both academic outcomes and operational efficiency, demonstrating the positive impact of these interventions. Such initiatives showcase the effectiveness of CSR collaborations, like with National Fertilizers Limited (NFL), in bridging the education gap in rural India, improving learning opportunities, and fostering skill development among students in underserved communities.

Integrated Education Monitoring

Bihar

Digital Learning

Bihar & Silvassa

Child Help Foundation (CHF), with support from National Fertilizers Limited (NFL), inaugurated computer labs at Madhya Vidyalaya Samas and Madhya Vidyalaya Lodipur in Barbiga, Bihar. Each lab is equipped with computers, furnished workstations, and trained instructors, with three dedicated teachers conducting regular digital-skills sessions—benefiting students, especially girls, and building on the earlier success at Tailik Balika High School. Additionally, under the Digital Skills Program sponsored by Dorf Ketel, CHF opened a Digital Learning Centre at Centre Primary Marathi School, Silvassa. The centre provides laptops, internet access, a projector, and AC seating, along with a dedicated instructor, helping bridge the digital divide in underserved communities.

Centre for Excellence

Mumbai Suburban, Maharashtra

Child Help Foundation (CHF), in collaboration with Servier India Pvt. Ltd., launched the Centre for Excellence project at Bhopoli Ashram Shala and Sakhare Ashram Shala, Jawhar Block, Palghar, providing extra coaching in Mathematics, Science, and English to students from Classes 8 to 10. The programme covered key topics such as quadratic equations, statistics, refraction, and space missions, along with educational resources that enhanced academic performance and student confidence. CHF, together with Borosil and support from MGA Lifestyle, Kolkata, also implemented a boys' toilet project for Classes 11–12, promoting health and hygiene. Discussions focused on reducing dropout rates and potential collaboration with Servier India through National Institute of Open Schooling (NIOS) to support continued education and holistic development of students.

STEM Lab and Mini Science Centres

Child Help Foundation (CHF), with CSR support from Samata Equal Footing Foundation, National Fertilizers Limited (NFL), Skypath Solutions India Pvt. Ltd., and the Goa CSR Authority, has launched impactful initiatives to strengthen STEM education in tribal and rural schools. In Palghar district, 10 Mini Science Centres (MSCs) were set up in Government and Aided Ashram Schools, each equipped with 84 hands-on science and math models. A two-day training for 12 teachers by experts from the Vikram A. Sarabhai Community Science Centre ensured effective use, benefiting over 4,800 students. Similar efforts with NFL established MSCs at M.S. Maur and M.S. Koyaribigha schools, supported by a dedicated science coordinator. In Goa, a pilot STEM Lab at Government High School, Tharmatha Bhile, Surla, features 46 models and 12 charts, with training for 120 teachers and students. A formal inauguration by the Chief Minister is planned. These initiatives promote inquiry-based learning and better academic outcomes.

Adolescent Reproductive and Sexual Health (ARSH)

As part of the ARSH (Adolescent Reproductive and Sexual Health) Life Skills Project, Child Help Foundation (CHF) implemented community-based initiatives through Kishori Manch groups across schools and villages in Palghar. Activities included tree plantation drives, cleanliness drives, Menstrual Hygiene Management (MHM) and Good Touch–Bad Touch awareness sessions, as well as creative competitions like rangoli and poster-making to foster adolescent participation. Kishori Conclaves and micro-conclaves featured cultural performances, skits, speeches, and interactive sessions, engaging community stakeholders such as Sarpanchs, ASHA and ICDS workers, teachers, and school heads. The project was highlighted at a CSR Conclave in Dadar, where Kishoris were felicitated and CHF received an Award of Appreciation. These initiatives strengthened life skills, leadership, and community engagement, creating a foundation for long-term social impact.

Project Outcomes Till March 2025:

Adolescents reached with ARSH-based life skills: **10,029**

Kishori Manch groups formed: **450**

Key influencers oriented: **156**

Action plans made by Kishori Manch: **215**

Action plans implemented: **185**

Referrals facilitated: **62**

Girls integrated with government schemes: **41**

Girl champions identified: **150**

Child Care Institutions (CCI)

In 2024–25, Child Help Foundation (CHF) supported seven Child Care Institutions (CCIs) across India, focusing on education, health, cultural enrichment, and emotional well-being.

At **Koel Saraswati Sishu Vidyalaya, Rourkela**, children received stationery kits and participated in sports, essay writing, and school picnics. At **Khirod Basini Kanyashram, Angul**, tribal girls benefited from remedial education and life-skills training, while dry rations supported residents. CHF initiates regular cleanliness drives and hygiene monitoring, promoting a safe and nurturing environment.

In Bengaluru, children at **Needs Charitable Trust** engaged in health, hygiene, counselling, and sports activities. At **Ashraya, Bhubaneswar**, children joined drawing contests, cultural events, and exposure visits to build confidence.

At **Charis Foundation, Chennai**, children took part in summer camps, computer and music classes, and cultural celebrations. The **Special School of Joy, Jharkhand**, nurtured children with special needs, while **SASA, Pune**, supported children with yoga, sports, and cultural programmes.

Autism awareness and inclusive care were promoted across Jharkhand, Pune, and Odisha. Independence Day was marked at all CCIs with dances, skits, and artwork.

Khirod Basini Kanyashram has enabled girls to complete primary education, with many advancing to higher studies and

professional courses. Students also excel in district-level debates, dance, and essay writing competitions.

Overall, CHF's initiatives have improved academic outcomes, ensured nutrition and essentials, and nurtured healthier, more confident children across all CCIs.

Child Care Institutions (CCI)

Child Care Institutions (CCI)

Child Care Institutions (CCI)

Child Care Institutions (CCI)

Inspiring Success Stories from CCIs

Anup – Resilience through Rehabilitation and Education

Anup, a resident of Charis Foundation, overcame immense challenges after losing his leg in a train accident and both his parents. With CHF's support, he received a prosthetic limb and continued his education. Now in Grade IX, Anup excels academically while actively pursuing dance and Silambam martial arts. His determination and achievements have made him a source of inspiration and a role model for other children at the foundation, demonstrating resilience, courage, and the power of support in overcoming life's toughest obstacles.

Neeta – From Adversity to Academic Achievement

Neeta, an underprivileged student from Odisha, lost her father at a young age and was raised by her single mother. Despite financial and personal challenges, she received support from CHF from Classes VI to X, which enabled her to continue her education. With determination and hard work, Neeta scored 85% in her HSC examinations. Inspired to create a positive impact, she is now pursuing higher education with the goal of joining the government sector. Her ultimate aspiration is to uplift her community and provide opportunities for others facing similar hardships.

Child For Child: Building Empathy, Awareness & Equality Among the Young Minds

Child For Child is a transformative initiative passionately led by Mr. Partha Roy, National Director of Child Help Foundation (CHF), and implemented across schools throughout India. While widely recognised for its heartfelt advocacy for children battling life-threatening diseases, the programme extends far beyond—creating awareness about the many social causes CHF champions, including health, education, gender equality, good touch and bad touch, POCSO, and child rights.

Through interactive sessions, storytelling, creative workshops, and real-life case studies, students gain a deeper understanding of the challenges faced by underprivileged children, from medical and emotional struggles to the lack of basic educational opportunities. The programme nurtures empathy by encouraging students to reflect on the privileges they enjoy—quality education, safe environments, and access to digital tools—while realising that many children across the country lack even the most fundamental resources to learn and grow.

More than an awareness drive, Child For Child serves as a bridge between the privileged and the underprivileged. It sensitises young learners to appreciate their opportunities and inspires them to contribute to the change CHF strives to create: a world where every child, regardless of background, can dream, learn, and thrive.

Recently, CHF conducted a Child For Child awareness session at a school in India, engaging students meaningfully and promoting empathy, social responsibility, and peer-driven support. The session inspired many students to play their part in building a more inclusive and compassionate society.

2 ZERO HUNGER

ERADICATING HUNGER PROGRAMME

Eradicating Hunger Programme

According to United Nations estimates, over 600 million people across the globe are projected to face hunger by 2030. At Child Help Foundation, we are committed to fighting this growing crisis. This year alone, we have provided nutritious meals to 26,365 individuals, bringing hope and sustenance to those in need.

Food Distribution Drive

Andhra Pradesh, Odisha & New Delhi

Child Help Foundation (CHF) organised food distribution drives at Ashraya Orphanage, Bhubaneswar, and Anand Marga Orphanage, Visakhapatnam, ensuring nutritious meals for children and reinforcing its commitment to holistic child development and food security. In collaboration with Orion India, CHF also brought joy to children from Tehkhand Village, New Delhi, through a fun-filled celebration with snacks, goodies, and laughter. These initiatives go beyond feeding hunger—they nourish hearts, create happy memories, and spread joy among underprivileged children.

Food Distribution Drives

Andhra Pradesh, Odisha & New Delhi

Food Distribution Drives

Andhra Pradesh, Odisha & New Delhi

Ration Distribution

Delhi

Child Help Foundation (CHF) conducted a ration kit distribution drive at Swami Vivekananda Samajik Chetna Trust, a school for the blind in Delhi. The initiative aimed to support the visually impaired community by providing essential nutrition and promoting overall well-being. Through this effort, CHF highlighted the importance of health, compassion, and collective responsibility. The drive also helped raise awareness about the daily challenges faced by visually impaired individuals, reinforcing CHF's commitment to inclusion, dignity, and community support.

5 GENDER
EQUALITY

GENDER EQUALITY AND EMPOWERING WOMEN PROGRAMME

Gender Equality and Empowering Women Programme

According to the United Nations, achieving gender equality could take centuries – 300 years to end child marriage, 286 years to remove discriminatory laws, 140 years for equal workplace leadership, and 47 years for political parity. At Child Help Foundation, (CHF) we are working to fast-track this change by conducting awareness and sensitisation sessions, impacting over 1,50,939 individuals this year.

Social Awareness Rally on Gender Equality

Rewari, Haryana

Child Help Foundation (CHF), in collaboration with Government Senior Secondary Schools in Sahbajpur and Padiyawas, Rewari, organized impactful social awareness rallies addressing gender equality, child marriage, and dowry. Students, teachers, villagers, and CHF volunteers actively participated, using slogans, placards, and banners to spark dialogue and reflection within the community. Engaging directly with villagers, the rallies highlighted pressing social issues and encouraged collective action. These initiatives reinforced CHF's commitment to combating social evils, promoting equality, and fostering social change at the grassroots level.

Awareness Session on Gender Equality

Rewari, Hararyana

Child Help Foundation (CHF) conducted a gender equality awareness session at Bhagat Phool Singh Mahila Vishwavidyalaya's Regional Centre, Rewari. Female students actively participated in discussions and motivational talks that encouraged them to understand their rights, embrace leadership roles, and challenge societal barriers. The session aimed to build confidence, promote independent decision-making, and inspire young women to pursue their goals without limitations. This program reflects CHF's unwavering commitment to women's empowerment and to fostering a more inclusive, equitable, and progressive society for all.

International Day of Families

Pan India

Child Help Foundation (CHF), with support from Samata Equal Footing, celebrated the International Day of Families through an engaging community session across India. The programme promoted gender equality with discussions, a science and farming quiz, and fun interactive games facilitated by interns. The event was a success, especially among women, encouraging learning, unity, and a strong sense of community spirit.

Training Session on Gendercide

Palghar, Maharashtra

Child Help Foundation (CHF), under the CSR initiative by Samata Equal Footing, celebrated Teacher's Day with a special sensitisation session on gendercide at Talwada and Murbad Ashram Schools in Palghar, Maharashtra. Teachers participated in the programme, where they were honoured with CHF-branded pens as a token of appreciation. CHF team members led an insightful discussion on gendercide and its impact. The session provided educators, especially from tribal and under-resourced areas, a valuable platform to share their challenges and perspectives.

Awareness Program at Government Ashram School

Palghar, Maharashtra

Child Help Foundation (CHF) conducted an impactful awareness program at Talwada Government Ashram School, engaging students in meaningful discussions on critical social issues. As part of the initiative, students performed a powerful street play on child marriage and shared their perspectives through a speech competition on female foeticide. With scripts and guidance provided by trainers, the activities aimed to highlight the importance of girls' education and challenge deeply rooted societal taboos. Certificates were awarded to all participants, recognising their efforts and involvement.

Women Entrepreneurship Conclave 2024

Mumbai, Maharashtra

Child Help Foundation (CHF) volunteers attended the Women Entrepreneurship Conclave at S.N.D.T. Women's University, Juhu, where they engaged with discussions led by eminent speakers such as Swati Pandey and R. Ramanan. The conclave highlighted key topics, including government schemes that support women-led initiatives, the challenges faced by female entrepreneurs, and the growing need for stronger mentorship networks. Speakers also emphasized the importance of accessible funding and sustained guidance to help women navigate business hurdles. The event aimed to inspire and empower aspiring women entrepreneurs to pursue their ventures confidently.

Women's Empowerment Session

Pan India

On a special day dedicated to celebrating women employees across India, Child Help Foundation (CHF) organized an empowering session for its workforce. During the session, she addressed the audience on the theme of "Women's Empowerment," highlighting the importance of self-worth, confidence, leadership, and building a supportive workplace culture. The interactive session encouraged open dialogue, sharing experiences, and practical strategies for personal and professional growth. It was highly appreciated by participants and aimed to inspire confidence, foster gender inclusivity, and promote equal opportunities for women across professional spaces nationwide.

Women's Equality Day Celebration

Pan India

Child Help Foundation (CHF) commemorated Women's Equality Day across India, celebrating progress in women's empowerment and emphasising the need for continued action. Through group discussions and awareness messages, the team reflected on gender equity in the workplace and society. CHF remains committed to creating an inclusive environment where women and girls are empowered to thrive equally.

International Women's Day Celebration

Pan India

Child Help Foundation (CHF) celebrated International Women's Day through diverse initiatives that empowered women and girls across India. CHF conducted interactive sessions on gender equality, honoured inspiring women leaders, and distributed sanitary napkins and thoughtful gifts to beneficiaries. Parenting workshops were organised to guide parents on raising confident, empowered daughters through gender-sensitive values. Additionally, CHF delivered a keynote session on "Women and Effective Leadership" for students, encouraging them to lead with confidence, empathy, and collaboration.

International Women's Summit

India Habitat Centre, New Delhi

Child Help Foundation (CHF) participated in the International Women's Summit held at the India Habitat Centre, New Delhi, a gathering dedicated to women's empowerment and entrepreneurship. The summit provided a valuable platform for meaningful networking, insightful discussions, and learning from inspiring leaders and change-makers. CHF's involvement reinforced its ongoing commitment to supporting women-led growth, fostering inclusion, and advocating for equal opportunities. The event also helped broaden perspectives and build stronger collaborations aimed at advancing women's leadership and social impact across communities.

6 CLEAN WATER
AND SANITATION

CLEAN WATER AND SANITATION PROGRAMME

Clean Water and Sanitation Programme

According to the United Nations, at the current pace, the world may not achieve sustainable water management until at least 2049. To ensure universal access to essential water, sanitation, and hygiene (WASH) services in schools by 2030, current progress must double. Child Help Foundation (CHF) is actively addressing this urgent challenge. This year alone, CHF has reached 5,811 people through initiatives including distributing sanitary pads, constructing toilets, installing water filters and purifiers, and conducting village cleaning drives. These efforts aim to improve hygiene, health, and education outcomes for children and communities, contributing to a cleaner, healthier, and more sustainable future for all.

Installing Water Filter and Purifier

Maharashtra, Karnataka, Bihar & Haryana

RLE India and Child Help Foundation (CHF) implemented water purification initiatives across multiple schools to provide safe drinking water and promote hygiene. Water filters were distributed at Matimand Nivasi Vidyalaya and Hadapsar Karn Badhir Vidyalaya, Pune, benefiting special children, while a purifier at Govt Kannada Boys School, Basavanagudi, served students and teachers. Additional installations supported students and staff members, accompanied by hygiene awareness sessions. With support from National Fertilizers Limited (NFL), purifiers were installed at M.S. Maur and M.S. Koyaribigha Schools in Sheikhpura, Bihar, and a water filter cooler at Shishu Shala School, Rewari, benefiting students, with SDM Mr. Surender Singh recognising CHF's contribution to school infrastructure and health promotion.

Toilet Construction and Inauguration

Bihar & Maharashtra

Child Help Foundation (CHF), with the support of National Fertilizers Limited (NFL), constructed new toilet facilities at M.S. Maur and M.S. Koyaribigha Schools in the Barbigha block of Sheikhpura, Bihar, ensuring students have access to safer and healthier learning environments. Additionally, CHF built a toilet facility at Murbad Ashram Shala in Palghar, Maharashtra, significantly benefiting students by promoting hygiene, dignity, and improved school infrastructure. The upgraded facilities were well received, with students expressing heartfelt gratitude for the positive change and the enhanced comfort and cleanliness these amenities now provide.

8 DECENT WORK AND
ECONOMIC GROWTH

10 REDUCED
INEQUALITIES

RURAL DEVELOPMENT PROJECTS

Rural Development Projects

Discrimination is on the rise worldwide, hitting women, persons with disabilities, the poorest, and less-educated individuals hardest. Globally, 1 in 5 people faced discrimination last year, with rates highest in Least Developed Countries (24.3%).

Lack of decent work opportunities weakens the social contract that progress must be shared. Child Help Foundation (CHF) is taking action—this year, we empowered 20 people to lead their shops in Gulabigaon, Nashik, by setting up Bazaar Haat, providing jobs and a platform to sell their own products.

Village Clean-Up Drive

Nashik, Maharashtra

Child Help Foundation (CHF) conducted a village clean-up activity in Gulabigaon, Surgana, Nashik, engaging local volunteers alongside the CHF team. The initiative focused on cleaning the Business Hub premises and promoting better hygiene practices within the community. By encouraging collective participation, the activity fostered a sense of ownership, strengthened cleanliness awareness, and contributed to creating a healthier environment for residents. The effort not only improved the surroundings but also inspired the community to maintain regular cleanliness.

CLIMATE ACTION

Climate Action

The United Nations reports that our planet is already 1.2°C warmer than the late 1800s, with emissions continuing to rise. To limit global warming to 1.5°C, greenhouse gases must be halved by 2030. Urban populations are growing—expected to reach 70% by 2050—while marine pollution and biodiversity loss accelerate.

Child Help Foundation (CHF) is tackling this triple crisis of climate change, pollution, and biodiversity decline. This year, we've impacted 176,493 lives through tree plantations, beach cleanups, gas-ushala construction, relief for flood and landslide victims, eco-friendly workshops, and more.

Tree Plantation Drive

Pan India

Child Help Foundation (CHF) conducted multiple Tree Plantation Drives across India, including at Rabindranath Tagore School in Pune, Mumbai, New Dharuhera Railway Station, Modern Senior Secondary School in Rewari, and Government Junior College in Visakhapatnam. These initiatives promoted environmental sustainability, biodiversity, and community participation, reinforcing CHF's commitment to climate resilience and a greener future. Through the active involvement of students, volunteers, and local communities, the drives encouraged a collective sense of responsibility towards protecting the planet. The efforts also aimed to inspire long-term environmental stewardship among young learners.

Gaushala Reconstruction & Inauguration

Barbigha, Bihar

Child Help Foundation (CHF), with support from National Fertilizers Limited (NFL), reconstructed the Shree Krishna Gaushala in Barbigha, Bihar, providing enhanced shelter and care for cows. The upgraded facility was inaugurated in the presence of Dr. Poonam Sharma (Independent Director, NFL), CHF representatives, and local villagers. This initiative promotes animal welfare, ensuring better living conditions for the cows, while supporting sustainable livestock management and rural livelihoods. By improving care infrastructure, the project benefits both the animals and the caretakers, fostering community engagement and long-term development.

Beach Cleanup Drive

Andhra Pradesh & Maharashtra

Child Help Foundation (CHF) conducted impactful Beach Cleanup Drives in Visakhapatnam and Velankanni, engaging volunteers to restore beaches after festivities and promote marine conservation. In Visakhapatnam, volunteers cleared debris left after the immersion of Ganesh idols, while at Velankanni Beach, CHF collaborated with the Institute of Chartered Accountants of India (ICAI), Vasai Branch (WIRC) and WICASA, collecting around 200 kg of waste. CHF has also conducted beach-cleanup activities at Juhu Beach, Uttan Beach in Mumbai. These initiatives highlighted eco-friendly practices, heritage site cleanliness, and community responsibility towards protecting our environment.

Emergency Flood Relief

Child Help Foundation (CHF) extended vital support to families affected by the devastating landslides in **Wayanad, Kerala**, where numerous households were displaced and left in urgent need of relief. To strengthen ongoing rehabilitation efforts, CHF provided **financial assistance** to the Hon'ble Chief Minister of Kerala, Mr. Pinarayi Vijayan, ensuring timely aid reaches the affected communities. The CHF team

closely coordinated with local authorities to channel the contribution responsibly and effectively.

Additionally, CHF carried out a focused relief action in **Eluru** for families impacted by floods in Vijayawada and Khammam by providing essential supplies through the District Collector for distribution in cut-off areas.

Blanket Distribution Drive

Telangana & Andhra Pradesh

Child Help Foundation (CHF) extended its winter relief efforts through blanket distribution drives across Telangana and Visakhapatnam, supporting vulnerable and underprivileged communities. In Telangana, CHF's CSR teams, along with office heads and mentors, distributed blankets made possible through generous contributions. The event was graced by Mr. Amarsingh Tilawat, Mr. B. Venkanna, and Mr. B. Nageswara Rao. In Visakhapatnam, blankets were distributed to homeless individuals, providing warmth, dignity, and comfort during peak winter, reinforcing CHF's ongoing commitment to poverty alleviation and resilience-building.

Clothes Distribution Drive

Mumbai Suburban, Maharashtra

Child Help Foundation (CHF) organized a heartfelt clothes distribution drive at Santosh Bhavan in Mumbai Suburban, extending much-needed support to families living below the poverty line. With the dedicated efforts of CHF volunteers, essential clothing items were distributed to children, women, and men who lacked access to basic apparel. The initiative aimed not only to provide warmth, comfort, and dignity but also to ease the financial burden on vulnerable households. Volunteers worked closely with community members to ensure fair and meaningful distribution, creating an atmosphere of care and inclusivity.

Paper Bag Making Workshop

Palghar, Maharashtra

Child Help Foundation (CHF) organized a sustainability workshop at Mashacha Pada School No. 19 for students of grades 4 and 5. During the session, children learned to make paper bags from old newspapers, transforming everyday materials into practical, eco-friendly alternatives. The activity promoted awareness about reducing plastic waste and encouraged environmentally responsible habits. Through hands-on learning, students discovered simple yet effective ways to contribute to a cleaner, greener environment. The workshop inspired them to take small but meaningful actions to protect and preserve the planet.

Monkey Feeding Drive

Delhi

Child Help Foundation (CHF) carried out feeding drives for monkeys across multiple locations in Delhi, ensuring support for stray and hungry animals. Through this compassionate effort, volunteers provided food and care to monkeys who often struggle to find adequate nourishment in urban areas. The initiative aimed to promote empathy, responsible coexistence, and greater awareness about the welfare of all living beings. By extending help beyond human communities, CHF reinforced its commitment to kindness, compassion, and creating a more caring environment for every creature.

Swachhata Diwas Observation & Support

Odisha & Haryana

Child Help Foundation (CHF) observed Swachhata Diwas and Gandhi Jayanti through cleanliness initiatives across Odisha and Haryana, promoting hygiene and civic responsibility. Activities included a cleanliness pledge by children at Shri Abhiram Paramahansa Ved Vedanta School, Baripada; waste clearance at Bindu Sagar, Bhubaneshwar; campus and community clean-up drives with Khirod Basini Kanyashram; and public space cleaning in Rewari's Dhaliawas village and Ambedkar Choupal. The initiatives also included the distribution of blankets to children, fostering community engagement, cultural preservation, and healthier living environments.

PARTNERSHIPS FOR THE GOALS

Partnerships for the Goals

Achieving the Sustainable Development Goals requires strong global partnerships and a shared commitment to leaving no one behind. This year, Child Help Foundation (CHF) has actively advanced this mission by engaging in meaningful collaborations with government bodies, NGOs, CSR partners, and diverse stakeholders. Through these partnerships, CHF has strengthened its initiatives to address critical social challenges, including education, health, child welfare, and community development. By leveraging collective expertise and resources, CHF continues to create sustainable impact, empowering communities and contributing to a more equitable and inclusive society for all.

Strategic Discussion with Dr. Heeralal, IAS

Mumbai, Maharashtra

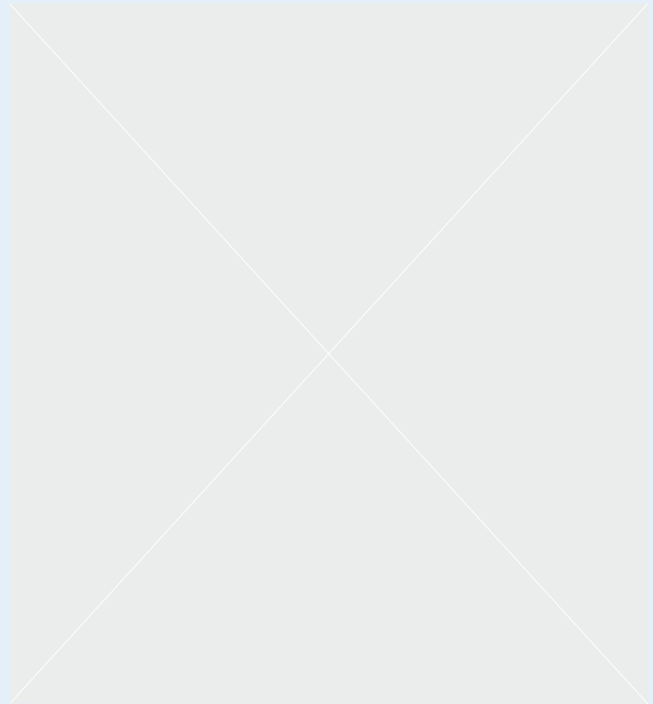

Child Help Foundation (CHF) coordinators and volunteers met with Dr. Heeralal, IAS, at the RCF Guest House in Chembur to present the CHF Annual Report and explore opportunities for future collaboration. The discussion focused on developing a green, sustainable, and child-friendly model village, while also addressing the urgent need for joint action against climate change and its impact on children. Dr. Heeralal shared valuable insights from his governance experience, encouraged multisectoral partnerships, reviewed CHF's ongoing initiatives, and assured his support in strengthening the foundation's mission and impact.

Wish Tree Activity at Winter Fest

Bhubaneswar, Odisha

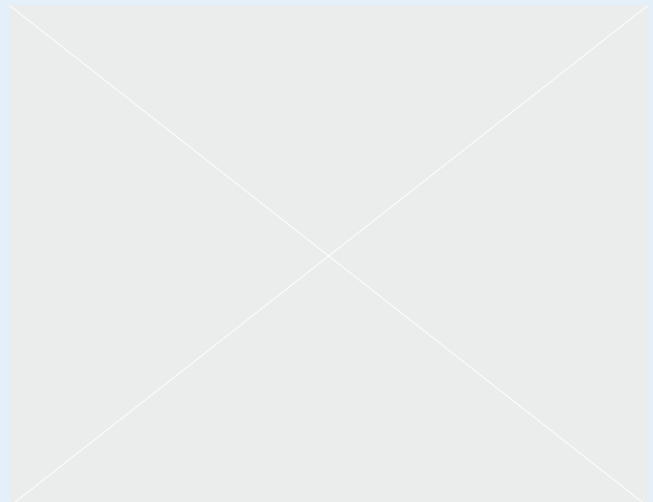

During the Winter Fest at ZI Apartment, Bhubaneswar, Child Help Foundation (CHF) hosted a Wish Tree Activity, engaging attendees. Visitors picked and fulfilled wishes to support underprivileged children, promoting community-led giving and raising awareness about CHF's mission.

Meeting with Hon'ble MP Ms. Kanimozhi Karunanidhi

Chennai, Tamil Nadu

Child Help Foundation (CHF) recently met Hon'ble MP Ms. Kanimozhi Karunanidhi in Alwarpet, Chennai, to highlight key achievements and explore potential collaborations for child welfare and community development. During the meeting, CHF shared its ongoing initiatives aimed at improving the lives of children and supporting local communities. Ms. Kanimozhi appreciated CHF's sustained efforts and expressed her support for future programs. The discussion emphasized strengthening partnerships with the government in Tamil Nadu, paving the way for impactful initiatives that can bring meaningful and lasting benefits to children and communities alike.

Strategic Meeting with MBMC Commissioner

Mumbai Suburban, Maharashtra

Child Help Foundation (CHF) volunteers met Mr. Sanjay Katkar (IAS), MBMC Commissioner, to explore potential collaborations in education and healthcare. During the meeting, CHF shared upcoming project ideas focused on enhancing community well-being and strengthening essential services. Mr. Katkar appreciated the organisation's initiatives and encouraged CHF to submit formal proposals for implementing these projects. The discussion reflected a constructive dialogue and marked a positive step toward a meaningful partnership, paving the way for future development efforts in the region.

Meeting with Padma Shri Awardee Sri Uma Shankar Pandey

Delhi

Child Help Foundation (CHF) Trustees Mr. Rajendra Pathak and Mr. Sunil Varghese had the honour of meeting Padma Shri awardee Sri Uma Shankar Pandey, renowned for his pioneering work in Water and Environmental Sustainability. Known as the "Water Warrior," he launched the "Khet Mein Med, Med Par Ped" campaign in 2005 to promote water conservation through field bunds. A Government of Uttar Pradesh representative was also present, making it a valuable platform to discuss future collaborations with the Government of India (GOI) and the Government of Uttar Pradesh (GOUP).

Memorandum of Understanding (MoU) Signing with Bharat Petroleum Corporation Ltd (BPCL)

Mumbai, Maharashtra

In a landmark move, Child Help Foundation (CHF) signed a Memorandum of Understanding (MoU) with Bharat Petroleum Corporation Ltd (BPCL) in November 2024. This collaboration with a leading Public Sector Unit (PSU) underscores a shared commitment to combating tuberculosis and advancing public health. The partnership aims to strengthen CHF's initiatives by leveraging BPCL's nationwide reach and resources, marking a significant milestone in the foundation's mission to provide holistic healthcare. Together, they seek to create lasting impact in the fight against TB and promote healthier communities across India.

Empowering Girls: Programme Intervention

Uttar Pradesh

Child Help Foundation (CHF), in collaboration with Model Gaon, implemented a menstrual health and hygiene programme across three villages in Uttar Pradesh—Ahiraura, Jalalpur Derapur, and Besar—benefiting girls and women. Through interactive workshops using role-plays, visuals, and group discussions, participants gained awareness on menstrual biology, hygiene, safe product use, and myth-busting. The initiative boosted confidence, encouraged open dialogue, and reinforced CHF's commitment to breaking taboos and promoting grassroots health education in rural India.

Integration and Convergence Meeting

Lucknow, Uttar Pradesh

Child Help Foundation's (CHF) volunteers attended the Integration and Convergence Meeting at Bhu-Mitra Bhawan, Lucknow, alongside Dr. Heera Lal, IAS. The gathering brought together NGOs and startups to explore synergy and collaboration for meaningful social impact. Participants shared insights on building sustainable partnerships, strengthening grassroots efforts, and aligning innovative solutions with real community needs. The discussion highlighted the importance of collective action, resource-sharing, and long-term planning. CHF's involvement reinforced its commitment to working with diverse stakeholders to create scalable, community-driven change and support inclusive development.

Memorandum of Understanding (MoU) Signing with GAIL (India) Limited

Marcaim, Goa

Child Help Foundation is proud to sign an MOU with GAIL (India) Limited to strengthen child welfare and community health initiatives in Marcaim, Goa. Through this collaboration, water purifiers will be installed in 7 primary government schools and 9 Anganwadis, ensuring safe and clean drinking water for young children. Additionally, vital medical equipment will be provided to the Primary Health Care Centre, Marcaim, enhancing healthcare services for the local community. This partnership is a significant step toward creating healthier, safer, and more empowered communities in Goa.

Prevention of Sexual Harassment at Workplace (POSH)

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013—commonly known as the POSH Act—is a landmark initiative by the Government of India aimed at ensuring safe and dignified workplaces for women. Child Help Foundation (CHF) is fully compliant with the POSH Act across all offices, field locations, and virtual workspaces. The organisation's approach extends beyond legal compliance, fostering a culture rooted in dignity, respect, and zero tolerance towards sexual harassment.

The Internal Committee (IC) addresses every complaint with fairness and confidentiality. All new employees undergo mandatory POSH policy training, while existing staff members participate in regular sensitisation workshops. Through a "Train the Trainer" programme, CHF has developed a cadre of 25 certified POSH trainers across India. These trainers have conducted awareness sessions, reaching individuals, and have mentored and certified three external professionals or members to enhance outreach and long-term impact.

During the reporting period, multiple awareness and sensitisation sessions were conducted for varied audiences, including educators, corporate employees, healthcare professionals, NGO staff, and government officials. Key initiatives included:

Educational Institutions: POSH awareness sessions at Ravindranath Tagore School, Pune and SAN Academy, Chennai, focusing on legal rights, workplace safety, and respectful workplace culture.

Government Departments: Training at Panchayat Samiti, Vasai for officials from the Women & Child, Education, and Health departments. The session was commended by the Block Development Officer for promoting women-friendly workplaces.

Healthcare Sector: Awareness training for staff at Nirali A.M. Naik Charitable Healthcare Facility, covering legal provisions, prevention strategies, and redressal mechanisms.

NGO Sector: Session for staff members at SUPPORT NGO, emphasising female staff safety, Internal Committee formation, and zero tolerance for harassment.

Hospitality Sector: Workshops at Ginger Mumbai Airport, engaging participants on the POSH Act, workplace rights, and complaint mechanisms.

Corporate Organisations: Training for new employees at Taj Lands End, Mumbai, Ketto Online Ventures, Team Pumpkin, and ITSPE Hyderabad, focusing on prevention, prohibition, and redressal under the POSH Act.

Additionally, CHF submitted its POSH Annual Report to the District Women and Child Development Office, Thane. Discussions were held with the Childline Supervisor and Protection Officer regarding future collaborations for POSH and POCSO trainings, as well as partnership opportunities under One Stop Centre initiatives to strengthen community-based safety efforts.

Protection of Children from Sexual Offences (POCSO)

POCSO

Child Help Foundation (CHF) places child safety at the core of its mission, strictly adhering to the POCSO Act 2012, which protects children under 18 from sexual abuse and harassment while ensuring child-friendly complaint, investigation, and court processes. Regular 'Good Touch – Bad Touch' sessions are conducted in schools to teach children how to recognise unsafe touch, set boundaries, seek help, and use the Child Helpline number 1098.

The Foundation was invited as a guest speaker at the Mahila Melava organised by ICDS in Bhatane, Maharashtra, where participants learned about the POCSO Act and the role of adults in ensuring child safety. Under the Centre of Excellence project, a POCSO awareness session was held at MBMC School, Mire, for students from 1st to 7th standard, focusing on personal safety skills. Additionally, a POCSO awareness training was conducted for music teachers of Furtados School of Music at their Khar, Mumbai centre, covering child protection protocols, safe interactions, and digital content guidelines.

These initiatives aim to create a safe, respectful, and empowering environment for every child.

STUDENT INTERNSHIP

Student Internship Experience

BITS Law School, Mumbai, Maharashtra

A student internship with an NGO can be a transformative experience, offering students the chance to apply their academic knowledge to real-world social issues. In 2024–25, Child Help Foundation (CHF) successfully hosted interns from various institutions. One such intern, Ann Benny Varghese, a B.A. L.L.B. (Hons.) a student from BITS Law School, Mumbai, shared her experience of working on child rights and legal literacy initiatives. She appreciated CHF's structured internship program, exposure to field realities, and the opportunity to engage directly with community-based projects.

Student Internship Experience

Xavier Institute of Management and Entrepreneurship (XIME), Kochi, Kerala

As part of its 2024–25 internship program, Child Help Foundation (CHF) provided practical exposure to interns across India. Vaishakh Rajesh Nair, a PGDM student from Xavier Institute of Management and Entrepreneurship (XIME), Kochi, shared his enriching experience of working with CHF. His internship focused on project management, donor engagement, and grassroots-level implementation. Vaishakh highlighted the value of contributing to real-time impact-driven programs and appreciated CHF's mentorship, professional approach, and the opportunity to understand the development sector more deeply.

DAAN UTSAV

Daan Utsav

Pan India

Daan Utsav (October 2–8), India's annual "festival of giving," promotes philanthropy through acts of kindness and community support. Child Help Foundation (CHF), with corporate partners, conducted donation drives and activities across the country.

In Pune, Standard Chartered employees contributed to marginalized groups. In Bengaluru, CHF collaborated with Cognizant, Jiraaf, and SmartQ to fulfil the wishes of children, distributing groceries, hygiene items, stationery, and chocolates. In Bhubaneswar, differently-abled children received blankets, while in Angul, underprivileged girls were benefited from a food drive.

In Odisha, CHF partnered with IOCL for a week-long public donation drive. In Mumbai, CHF held an awareness drive with participants and organised Wish Tree activities at multiple locations. Standard Chartered's Wish Tree initiative in Delhi, Mumbai, Bengaluru, and Gurgaon helped fulfil children's wishes through employee donations.

These initiatives highlighted the power of collaboration between corporates and communities, promoting inclusion, empathy, and the spirit of giving. Additionally, CHF donated tables and chairs to St. Mark Middle School in Adambakkam, Chennai, improving classroom infrastructure and supporting quality education for underprivileged students.

Daan Utsav

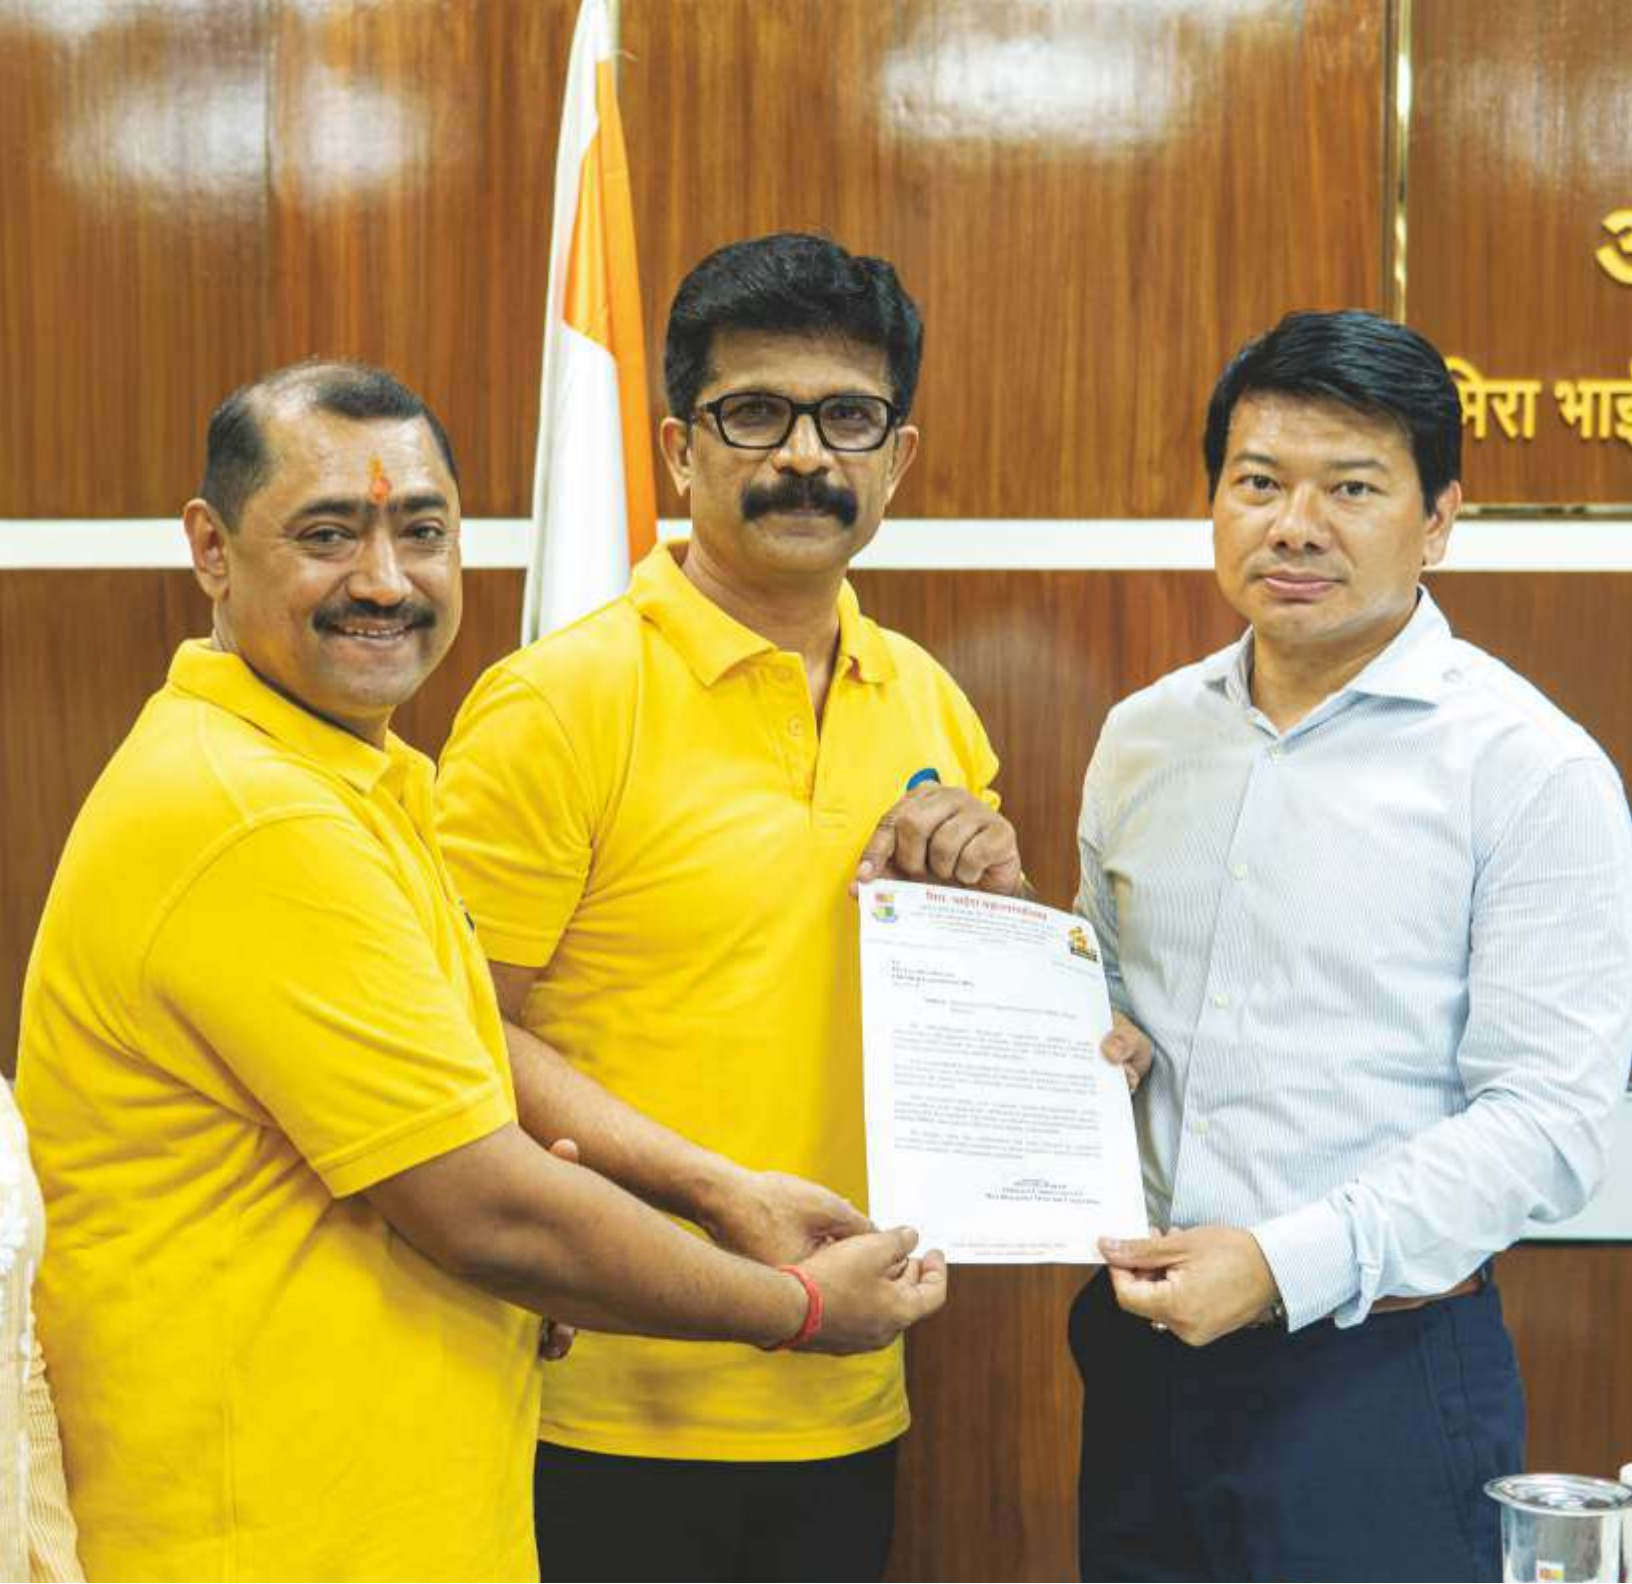

Pan India

Daan Utsav

Pan India

Mira Bhayandar Municipal Corporation (MBMC)

MBMC

Mumbai, Maharashtra

Child Help Foundation (CHF), in collaboration with the Mira Bhayandar Municipal Corporation (MBMC), has undertaken multiple initiatives to promote civic awareness, education, and environmental responsibility in the region. These efforts included street plays at Maxus Mall and Lata Mangeshkar Natyagruh to spread messages on cleanliness and civic duty, a Plog Run involving student volunteers to clean urban spaces, a mega beach clean-up drive on Independence Day, student engagement sessions with The Cathedral & John Connon School, and a career guidance workshop. Under the Centre of Excellence Project, the digital learning component was launched through the appointment of computer trainers in MBMC Schools No. 20, 24, and 36, providing structured computer education to students from Class I to VII to enhance digital literacy and bridge the digital divide. In addition, student volunteers from Rohidas Patil Institute of Management Studies were recognised for their participation in the Uttan Beach Clean-Up held under MBMC's Swachhta Hi Seva Abhiyan, where certificates were distributed in acknowledgement of their efforts that resulted in the collection of over 35 tons of waste, thereby promoting environmental sustainability.

SCHOOL HEALTH PROGRAMME

School Health Programme

Mumbai, Maharashtra

Child Help Foundation (CHF), in collaboration with Larsen & Toubro Public Charitable Trust (LTPCT), Integrated Tribal Development Project (ITDP), and Zilla Parishad, implemented a School Health Program across 14 Schools in Vikramgad Block, Palghar. Through health visits, the project screened students, treated over 10,800 illness cases, and referred 65 students for advanced care. In addition, Training of Trainers (ToT) equipped the teachers on POSH, POCSO, and mental health, while CHF staff received Mental Health Literacy training to strengthen delivery.

Our awareness sessions reached 58,000+ students, addressing topics like hygiene, nutrition, menstrual health, and emotional well-being. Gynaecology camps (455 girls), career guidance workshops (2,339 students), and special campaigns on Sick Cell, Suicide Prevention, and Mental Health further promoted holistic development. These initiatives strengthened education, health, and awareness, fostering holistic adolescent development.

TATA Mumbai Marathon'25

TATA Mumbai Marathon'25

On January 19th, 2025, Child Help Foundation (CHF) participated in the **Tata Mumbai Marathon**, Asia's largest marathon, leaving a vibrant mark through awareness and volunteer engagement. CHF volunteers dressed in traditional NGO colours and state-wise attire to raise awareness about the POSH (Prevention of Sexual Harassment) and POCSO (Protection of Children from Sexual Offences) Acts. Along the marathon route, CHF created a lively "Motivation Zone", where over 1,000 enthusiastic college student volunteers cheered runners and performed engaging skits to promote social awareness.

As an NGO partner, CHF utilised the marathon to spread its core messages and demonstrate its dedication to creating a more informed, responsible, and compassionate society. The initiative also celebrated the contributions of NSS student volunteers from various colleges, who were felicitated with certificates and photo frames. College principals applauded CHF's efforts in instilling community service and social responsibility among youth. The marathon served as a remarkable blend of fitness, advocacy, and youth-driven change, reinforcing CHF's unwavering commitment to meaningful social impact.

TATA Mumbai Marathon'25

TATA Mumbai Marathon'25

Mumbai, Maharashtra

TATA Mumbai Marathon'25

Mumbai, Maharashtra

TCS 10K Marathon

Bengaluru, Karnataka

Child Help Foundation's (CHF) team members participated in the 5.5 km TCS Majja Run at the RSAOI Cricket Ground, proudly wearing CHF T-shirts and carrying placards to raise awareness about the organisation's work. The run promoted health, teamwork, and community spirit, giving the team a meaningful way to represent their cause. Each participant received a medal, making it a proud, memorable, and motivating day for everyone involved.

Walk for Freedom

Mumbai Suburban, Maharashtra

Child Help Foundation (CHF) co-hosted the Walk for Freedom in Mumbai Suburban, Maharashtra, to raise awareness about human trafficking. Organised by various NGOs under the Palghar NGO Forum, the event highlighted the strength of collective civil action. CHF's student interns and community members walked in solidarity to support vulnerable individuals. CHF was honoured with a certificate for its core role. The walk was a call for vigilance, education, and united efforts to combat trafficking.

Kochi Marathon

Kochi, Kerala

Child Help Foundation (CHF) participated in the Kochi Marathon at Chellanam, Kerala, organised by the CII Foundation and Chellanam Grama Panchayath. The event, supported by enthusiastic CHF volunteers and beneficiaries, promoted health, fitness, and community well-being, reflecting CHF's dedication to fostering healthier lifestyles.

FOUNDATION DAY 14TH ANNIVERSARY CELEBRATION

Foundation Day

On November 19, 2024, Child Help Foundation (CHF) celebrated its 14th Foundation Day, bringing together hundreds of volunteers, managing committee members, and supporters from across India. The event honoured years of dedicated service towards uplifting vulnerable communities, recognising volunteers for their invaluable contributions. Across the country, tree plantation drives were organised, highlighting CHF's commitment to sustainable development, unity, and advancing the Sustainable Development Goals.

As part of the celebrations, multiple initiatives were conducted across regions. In Thane, Mumbai, volunteers carried out a Street Animal Feeding Drive for stray animals, alongside a food distribution drive near Ghatkopar Railway Station for elderly and destitute individuals. A Menstrual Hygiene Management (MHM) drive at Thane Railway Station distributed sanitary pads to female vendors, raising awareness on menstrual health and hygiene.

In Hyderabad, Telangana, a Tree Plantation Drive along Begumpet Old Airport Road promoted environmental sustainability. In Maharashtra, large-scale plantation drives at Karhe Ashram School, Kundacha Pada

Village, Vinval Village, and Raitale Village fostered biodiversity, green cover, and climate action.

To mark the anniversary in Kochi, CHF distributed organic vegetable and shade tree saplings across several schools — Santa Cruz H.S, St. John's De-Britto H.S, St. Francis LPS (Fort Kochi), Govt. G.H.S (Mattancherry), and St. Joseph's H.S (Chullickal). The initiative encouraged students and staff to create organic gardens, develop greener campuses, and instil environmental values for hands-on sustainability education.

Through these initiatives, CHF's 14th Foundation Day celebrated a holistic approach to social and environmental welfare, combining community care, health equity, and climate action, while inspiring the next generation to become responsible ecological stewards.

Foundation Day

MISCELLANEOUS

Sustainable Initiative with Thought Bulb

Chennai, Tamil Nadu

Child Help Foundation (CHF) took part in a sustainability-themed event at Feathers Hotel, Chennai, organized by The Thought Bulb and the EY Team. Eco-friendly furniture made from recycled tyres was donated for

CHF-supported children, promoting creativity, reuse, and environmental responsibility—reflecting CHF's commitment to sustainable, child-friendly spaces.

Gift-in-Kind Donation Drive

Pan India

Child Help Foundation (CHF), with support from SBI Life Insurance, organised Gift-in-Kind Donation Drives across India, benefiting individuals with clothes, winter essentials, and toys, thereby spreading warmth and joy ahead of winter. CHF also conducted gift distribution drives for children in various welfare homes, where orphaned residents received woollen clothing that brought them comfort and smiles during the cold season. These initiatives reflect CHF's ongoing efforts to foster social equity, compassion, and community well-being through inclusive outreach and meaningful collaborations.

Giri Pradakshina

Visakhapatnam, Andhra Pradesh

During the Giri Pradakshina festival at Simhachalam, Child Help Foundation (CHF) supported devotees by distributing medical kits and nutritious food. The initiative promoted health and safety during the procession, reflecting CHF's commitment to public well-being.

World NGO Day

Pan India

To mark World NGO Day, Child Help Foundation (CHF) conducted visits to old-age homes across India, where the team spent meaningful time with elderly residents, offering warmth, companionship, and emotional support. The initiative reflected CHF's commitment to social inclusion, including a special visit to Amma Nanna Old Age Home in Visakhapatnam, where the team extended care and comfort to the senior community.

Ambedkar Jayanti Celebration

Pan India

Child Help Foundation (CHF) commemorated Dr. B.R. Ambedkar's birth anniversary with children across India, featuring speeches, poetry recitations, and dance performances celebrating his enduring legacy. Guests and well-wishers graced the occasion, honouring the spirit of equality and empowerment. Trophies were awarded to children for their outstanding speeches, and stationery kits were distributed to encourage education. The celebration fostered confidence, creativity, and awareness among the youth, and was warmly appreciated for promoting inclusive values and empowering children nationwide.

Republic Day Celebration

Pan India

In collaboration with Cost2Price, pairs of unsold school shoes and chocolates were distributed to HIV-affected children at AGAPE Home. Across various government schools, CHF organised art activities for students, with prizes for the best drawings and snacks for all participants. CHF also distributed blankets, woollen caps, and socks to elderly women and widows in underserved communities across India. Additionally, underprivileged children of artisan women showcased their talents in Fancy Dress, Drawing, Singing, Craft, and Dance competitions, with winners receiving medals and all participants receiving certificates and snacks.

Children's Day Celebration

Pan India

Child Help Foundation (CHF), under the CSR initiative of Samata Equal Footing, celebrated Children's Day across India through a series of joyful and inclusive activities. Students participated in an environment-themed drawing competition, relay race, bucket ball toss, and thumb painting, with trophies and certificates awarded to encourage their talents. CHF also spread happiness among underprivileged children by distributing sweet treats in multiple communities, promoting inclusion, joy, and meaningful engagement nationwide.

Independence Day Celebration

Pan India

Child Help Foundation (CHF) celebrated Independence Day across India through its Education Support Program. The event was held at various tuition centres, where underprivileged students received stationery kits and cakes. The celebration aimed to support children's education while honouring India's Independence Day, reflecting CHF's commitment to uplifting underserved communities through quality learning opportunities.

Christmas Celebration

Pan India

Across India, Child Help Foundation (CHF) organised heartwarming Christmas celebrations filled with music, games, and the distribution of sweets and gifts. These events fostered inclusion, joy, and emotional well-being among children, especially those from underprivileged backgrounds. In collaboration with partner organisations, CHF also hosted vibrant Winterfest celebrations featuring engaging sports activities for children and adults, with winners receiving medals and certificates. The festivities were further uplifted by the presence of esteemed guests and well-wishers, adding encouragement and festive spirit to the occasion.

Child Rescue Operation from Trafficking | Field Intervention

On 11th December 2024, during a field visit Child Help Foundation (CHF) volunteer, spotted a distressed 12-year-old girl at a local train station in Tamil Nadu. Realizing she was a trafficking victim, they alerted the RPF, who swiftly rescued and reunited her with her family. The RPF praised CHF's quick action, showcasing the foundation's commitment to child protection on the ground.

Media Recognition for CHF's Work in Promoting Girls' Education

Child Help Foundation's (CHF) Invisible Girl Project (IGP) team in Haryana received media recognition for their impactful efforts in promoting girls' survival, education, and equality. The coverage highlighted CHF's commitment to addressing gender disparities and empowering young girls through educational support and awareness initiatives.

Child Help Foundation Conducted a Gendercide Awareness Session in Hry

SHIV KUMAR SHARMA

REWARI: Child Help Foundation, a Pan India non-profit organization, is known for its tremendous work for the upliftment of underprivileged children, and is working on the Gendercide Awareness Session in Rewari and in other parts of Haryana. After the successful completion of the activity in Maharashtra, the NGO is now working in other cities of India to raise awareness about Gendercide. Along with being a child-centric organization it also stands for many other issues including equal rights for everyone irrespective of gender, colour, race and other parameters. This awareness session was organized under the banner of the 'Beti Bachao, Beti Padhao' campaign, a vital initiative aimed at protecting and empowering the girl child. The campaign underscores the importance of gender equality and the need to eradicate practices like gendercide, which continue to threaten the lives and rights of countless girls in India. Through such efforts, Child Help Foundation is playing a crucial role in ensuring that every girl has the opportunity to survive, thrive, and receive an education. Volunteers of the NGO educated Anganwadi workers, students, teachers and community members about gender equality. Speaking about the sessions, Mr. Shaji Varghese, Chief Executive Officer (CEO) of Child Help Foundation said, "Gendercide has plagued our country from decades. But it must be eradicated from our society now if we want to be called as a progressive society. It is our duty as a responsible citizen."

Rewari : Child Help Foundation, a Pan India non-profit organization, is known for its tremendous work for the upliftment of underprivileged children, and is working on the Gendercide Awareness Session in Rewari and in other parts of Haryana. After the successful completion of the activity in Maharashtra, the NGO is now working in other cities of India to raise awareness about Gendercide. Along with being a child-centric organization it also stands for many other issues including equal rights for everyone irrespective of gender, colour, race and other parameters. This awareness session was organized under the banner of the 'Beti Bachao, Beti Padhao' campaign, a vital initiative aimed at protecting and empowering the girl child. The campaign underscores the importance of gender equality and the need

to eradicate practices like gendercide, which continue to threaten the lives and rights of countless girls in India. Through such efforts, Child Help Foundation is playing a crucial role in ensuring that every girl has the opportunity to survive, thrive, and receive an education. Volunteers of the NGO educated Anganwadi workers, students, teachers and community members about gender equality. They also made them aware of various benefits and privileges provided by the government, especially for girl children. During the Gendercide Awareness sessions, attendees were made aware of many impor-

tant aspects of gender equality but the focus was on educating the girl child.

Speaking about the sessions, Mr. Shaji Varghese, Chief Executive Officer (CEO) of Child Help Foundation said, "Gendercide has plagued our country from decades. But it must be eradicated from our society now if we want to be called as a progressive society. It is our duty as a responsible citizen and organization to create awareness about this grave issue and it can only happen when people will get educated about gender equality and power of education."

बीकानेर विद्यालय में चाइल्ड हेल्प फाउंडेशन ने निकाली जागरूकता रैली

घनेश विद्यापी, देश गंजाना

रेवाड़ी। राजकीय महिला संस्कृत विश्वविद्यालय बीकानेर में चाइल्ड हेल्प फाउंडेशन ने जागरूकता रैली एवं विशेष सत्र आयोजित किया। प्राचार्य मनोज कुमार की अध्यक्षता वाले इस कार्यक्रम का मुख्य उद्देश्य छात्रों और समुदाय को बाल विवाह, लिंग भेदभाव, दहेज प्रथा, लैंगिक समानता और बाल अधिकारों जैसे गंभीर मुद्दों के प्रति संवेदनशील बनाना था।

इस मौके पर शारीरिक शिक्षक राजेश कुमार के नेतृत्व में विद्यालय परिसर से शुरू हुई रैली में छात्रों ने ताली में सहित लिखित पोस्टर लिए हुए थे, जिसके माध्यम से पूरे क्षेत्र में लोगों को सामाजिक कुतर्कियों से दूर रहने के लिए प्रति जागरूक किया गया।

शिक्षक मुकेश कुमार ने बताया कि सरकार की महत्वाकांक्षी योजना बेटी बचाओ बेटी पढ़ाओ अभियान के अंतर्गत आयोजित जन जागरूकता कार्यक्रम को संबोधित करने हुए स्टेट कोऑर्डिनेटर भूपेंद्र सिंह, एडवोकेट अनीत, प्रशिक्षक निरंजनी यादव और सामाजिक कार्यकर्ता नेहा ने कहा कि बाल विवाह न केवल कानून दंडनीय अपराध है, बल्कि यह बच्चों के समग्र विकास, शिक्षा, स्वास्थ्य और मानसिक स्थिरता पर दीर्घकालिक प्रभाव डालता है। उन्होंने छात्रों को प्रेरित किया कि यदि कहीं भी कम उम्र में विवाह की जानकारी मिले, तो उसे तुरंत संबंधित अधिकारियों तक पहुंचाएं।

बच्चाओं ने महिला भूषण हत्या पर गहरी चिंता व्यक्त करते हुए कहा कि यह समाज के विकास में एक बड़ी बाधा है। उन्होंने कहा कि बेटीयां आज हर क्षेत्र में अपनी क्षमता और योग्यता का प्रमाण दे रही हैं, इसलिए भूषण हत्या जैसी कुप्रथा का पूर्ण उन्मूलन आवश्यक है।

देहज प्रथा को लेकर कहा कि दहेज लेना और देना दोनों ही दंडनीय अपराध हैं, जो आज भी कई परिवारों को सामाजिक, भावनात्मक और आर्थिक रूप से प्रभावित करता है। बच्चाओं ने इस कुप्रथा को जड़ से समाप्त करने के लिए सामूहिक प्रयास की आवश्यकता पर बात दिया।

रैली के दौरान कई छात्रों अग्रे आई और उन्होंने समाज में देखे गए भेदभाव व समस्याओं के अपने अनुभव साझा किए। छात्रों ने कहा कि वे इन कुप्रथाओं का दृढ़ता से विरोध करेंगी और अपने समुदाय में जागरूकता फैलाने के लिए निरंतर प्रयास करती रहेंगी।
