About Us

Newsletter

Child Help Foundation (CHF) is a pan-India non-profit organization, registered under the Bombay Public Trust Act 1950, which started in the year 2010. We aim to accomplish the objectives set by the United Nations Sustainable Development Goals (UN SDGs) for global development. Child Help Foundation's principal purpose is to empower the disadvantaged holistically with some of our initiatives like Emergency Medical Support, Education, Clean Water and Sanitation, Gender Equality, Zero Hunger, Humanitarian Relief, and Village Development.

Best NGO of the Year by Silver Feathers *Newsletter*

Child Help Foundation Wins The Best NGO of The Year *Newsletter*

Child Help Foundation (CHF) has reached a significant milestone by being honoured with the prestigious "Best NGO of the Year" award at the Silver Feather Awards 2024. This coveted accolade stands as a testament to CHF's unwavering dedication to its mission of transforming the lives of underprivileged children and empowering communities in need.

The Silver Feather Awards, known for recognizing organizations that drive positive societal change, spotlight CHF's tireless efforts in the areas of advocacy, education, health, disaster relief, and community development. The award serves as a powerful acknowledgement of CHF's ability to not only provide aid but also empower individuals to overcome challenges and achieve sustainable progress.

Since its inception, CHF has been a beacon of hope for countless children and families across the country. By implementing impactful programs tailored to address the most pressing needs of vulnerable communities, the organization has made a measurable difference in the lives of those it serves. Initiatives such as free health camps, environmental sustainability projects, educational support, and relief for disaster-affected areas have been pivotal in shaping a better tomorrow for marginalized populations.

The "Best NGO of the Year" award reflects CHF's commitment to creating systemic change and inspiring collective action. It highlights the dedication and hard work of CHF's volunteers, staff, and supporters who have consistently gone above and beyond to deliver meaningful results. Every effort by CHF is a step toward fulfilling its vision of a world where every child has access to education, healthcare, and opportunities for a better future.

This recognition not only celebrates past achievements but also sets the stage for greater impact in the years to come. It motivates CHF to continue pushing boundaries, innovating its approaches, and collaborating with like-minded partners to address emerging societal challenges.

As CHF celebrates this incredible honour, it calls upon individuals, organizations, and communities to join its journey of making a difference. Together, we can amplify efforts to bring hope, dignity, and opportunity to every child in need.

The Silver Feather Award is more than just a trophy; it's a reminder of the power of compassion and the enduring impact of collective action in shaping a better world for generations to come.

Only a Liver Transplant Can Save Him, Please Help Ajay

"I see no way out of my situation. I am the only earning member of my family. I have no idea what answers I can give to my family members who have a million questions racing through their minds. I need to save my son but how?"

Saji Kumar ; (Father)

Ajay Krishna is a one-year-old child living in Thiruvananthapuram, Kerala. He has been diagnosed with biliary atresia and has already gone through one operation and yet he needs another.

Doctors at Kims Health (7.5 km from Trivandrum Central Railway Station) in Kerala have said that he needs to undergo a liver transplant costing Rs.18,00,000/- (Rupees Eighteen Lakh Only).

Saji Kumar is the only breadwinner in his family. In addition to Ajay, he has to take care of his mother-in-law, a cancer patient, and a father-in-law as well as his wife and daughter. He works as a carpenter and earns a daily wage.

Your kindness is the only way to help Ajay. Please donate as much as you can and share the fundraiser with all your friends and family members.

There are many more children who need urgent treatments, and your small contributions can make a huge difference. [Please Donate!](#)

Ankitha Bekkam

Ankitha, a 12-year-old girl diagnosed with a severe kidney condition, faced immense challenges. Thanks to the heartfelt support of Child Help Foundation's donors, she received the treatment she urgently needed. Today, Ankitha is on the road to recovery, smiling brighter than ever. The family is forever grateful for your kindness and generosity.

Baby of Salma

Baby of Salma, born prematurely with severe respiratory distress, fought against overwhelming odds. Thanks to the generosity of Child Help Foundation's donors, he received the urgent care he needed. Today, he is on the path to recovery, and his family is filled with gratitude for the support that gave their baby a second chance at life.

Janvi Kumar

Four-year-old Janvi, born with a severe spinal condition, faced immense challenges. Thanks to the kindness of Child Help Foundation's donors, she received the surgery she urgently needed. Today, Janvi is recovering well, and her family is filled with hope for her brighter future. They extend their heartfelt gratitude to everyone who supported her journey toward a better life.

Jennifer James

Twelve-year-old Jennifer, diagnosed with scoliosis, faced immense challenges that threatened her dreams of becoming a doctor. Thanks to the generous support of Child Help Foundation's donors, she received the treatment she desperately needed. Jennifer is now on her way to recovery, with renewed hope to chase her aspirations. Her family expresses heartfelt gratitude to all who contributed to her brighter future.

Newsletter

Meghana Pawar

Meghana, a courageous 9-year-old girl, faced unimaginable challenges after being diagnosed with a congenital heart defect. Despite the overwhelming odds, she never gave up. With the compassionate support of Child Help Foundation's donors, Meghana received the critical treatment she needed. Today, she is on the path to recovery, filled with newfound hope and strength. Her family is profoundly grateful for the kindness and generosity that have given Meghana a chance at a healthier, brighter future.

Prem Damble

When 14-year-old Prem suffered severe burns to his left hand, lower limb, and chest, his parents were devastated. The situation seemed dire, but thanks to the generosity of Child Help Foundation's donors, Prem received the critical care he needed. Today, he is recovering and regaining his strength, and his family is deeply grateful for the support that has given their son a second chance at life.

Tanushka Pawara

When seven-year-old Tanushka was diagnosed with a Large Perimembranous VSD, her parents were overwhelmed by the high cost of the treatment, which amounted to Rs. 2,50,000. In their time of need, they turned to Child Help Foundation for support. Tanushka's story touched the hearts of generous donors, who came together to make her life-saving surgery possible. Her family is forever grateful for the compassion that has given her the opportunity for a healthy and happy future.

Urvi Ughada

Diagnosed with a congenital heart defect, Urvi's parents faced insurmountable challenges due to the high cost of surgery. Desperate for help, they turned to Child Help Foundation, and her story deeply moved countless compassionate donors. Thanks to their unwavering support, Urvi was able to undergo life-saving surgery. Today, she is steadily recovering, growing stronger with each passing day.

Success Stories

Newsletter

Harsha Chandran

Even after undergoing five surgeries, Harsha could only go to college twice a week. Her disfigurement brought untold grief and misery to her life. Seeing no way out, Harsha's parents reached out to Child Help Foundation, whose donors went beyond their way to help Harsha get treatment and pursue her dreams.

Khwahish Hasnani

Twenty-five lakhs was the price of Khwahish's cancer treatment, an amount her parents could never hope to raise as they made their living through a small electric shop. Despite Khwahish's bravery, the situation seemed bleak and hopeless. However, they approached Child Help Foundation with a little glimmer of faith, which was rewarded by the donors with their donations and shares.

Prathamesh Matiwaddar

When news broke out that Prathamesh was diagnosed with cancer, all the happiness was sucked out of the family's life. The treatment seemed seven oceans away as the price was too exorbitant. They took the help of Child Help Foundation, who after necessary verifications uploaded the case on their website and the donors saved him from misfortune.

Reshma Ramesh

Reshma's courageous battle against cancer was made possible with the generous support of donors from Child Help Foundation. Facing overwhelming treatment costs, her parents turned to the organization for help. Reshma's bravery and resilience deeply inspired the donors, whose contributions not only supported her treatment but ultimately helped save her life.

New Beginnings: Celebrating New Year's Eve Newsletter

As the clock ticks toward midnight on New Year's Eve, we at Child Help Foundation (CHF) take a moment to reflect on the past year—a year filled with hope, challenges, and extraordinary achievements—and to look forward to a future brimming with possibilities.

In 2024, CHF proudly expanded its reach and impact across communities in need. Through the unwavering support of donors, partners, and volunteers, we were able to touch countless lives. From educational programs to healthcare initiatives, environmental projects, and relief operations, our journey this year has been remarkable.

Here's a glimpse of our accomplishments:

Health and Well-Being

Medical Support: Assisted 601 medical cases.

Baby Feeding Centers: Provided 44,973 mothers with safe spaces to feed their infants

Health Initiatives: Benefitted 58,810 individuals through health-related activities.

Education and Awareness

Quality Education: Reached 43,520 beneficiaries through educational initiatives, including Mini Science Centres and Computer Labs.

Water, Sanitation, and Hygiene (WASH)

Sanitary Pads Distribution: Supported 50 beneficiaries with 100 sanitary pads distributed.

Installed 4 water purifiers, benefiting 645 individuals.

Conducted 491 activities related to WASH.

Environment and Sustainability

Tree Plantation: Planted 1,550 trees, contributing to environmental conservation. Additionally, 3,000 trees were planted to celebrate Child Help Foundation's 14th Foundation Day.

Livelihood Support: Distributed 47 cows and buffaloes, enhancing rural economic sustainability.

Life Below Water: Collected 422 kilograms of waste, benefiting 12,660 individuals (30 beneficiaries per kg).

Zero Hunger and Gender Equality

Zero Hunger: Addressed food insecurity for 26,090 individuals.

Gender Equality: Empowered 43,072 beneficiaries through gender-related activities.

Humanitarian Relief and Partnerships

Supported 166 beneficiaries through humanitarian relief operations.

Strengthened 183 partnerships under the SDG goal "Partnership for the Goals."

Economic Growth and Reduced Inequalities

Conducted initiatives promoting decent work and economic growth, benefiting 20 individuals.

School Health Program

Palghar, Maharashtra

The School Health Program is dedicated to enhancing the physical and mental well-being of underprivileged tribal students in the Vikramgad block of Palghar district, Maharashtra. Implemented across 14 schools, the program benefits over 10,000 students by offering health screenings, illness treatment, and capacity-building sessions for both students and teachers. This month, key activities included health check-ups, specialized camps, and awareness initiatives to foster a healthier and more informed school community.

December Program Highlights

Health Screenings and Treatments

- **Health Screenings:** 457 students were screened during 40 health visits, with health cards updated for each student.
- **Illness Treatments:** 1,598 cases, including anaemia, dental issues, ophthalmic conditions, ENT problems, and

gynaecological concerns, were treated with medication provided.

- **Referrals:** Seven students requiring advanced care were referred to hospitals including Rural Hospital Vikramgad, Sambare Hospital, Zadpoli, Civil Hospital Palghar, and Rotary Hospital Talwada.

Gynaecology Camps

- Six camps were conducted, screening 455 girls. Gynaecologists addressed various health concerns and provided necessary medications.

Awareness and Education

- **Health and Social Behaviour Awareness:** 3,160 students from primary to higher secondary levels participated in 59 sessions covering topics such as good and bad touch, menstrual health, POSH-POCSO, peer pressure, anaemia, and nutrition.
- **Mental Health Awareness:** 4,771 students attended 82 sessions focused on mental health, including managing thoughts, learning disorders, and fostering relationships.
- **Personal Counselling:** Individual counselling was provided to 53 students, helping them address various mental health challenges.

Teacher Capacity Building

- A Training of Trainers (TOT) session was conducted in five schools, with 63 staff members, including hostel superintendents and teachers, attending. Topics covered included POSH, POCSO, and mental health, facilitated by trained counsellors.

Baby Feeding Centres

Maharashtra : The Baby Feeding Centers (BFCs) in Maharashtra are strategically located to serve mothers and their children. The Kalyan Railway Station BFC caters to 150 beneficiaries, with five mothers using it daily, supported by the Childline staff. Similarly, the Pune Railway Station Centre benefits 124 individuals, though it requires improved maintenance by the railway authorities. At Kurla Railway Station, 24 beneficiaries are served weekly, averaging six mothers. The Palghar Railway Station centre is well-maintained and sees four mothers daily, supporting 120 individuals. Likewise, the Boisar Railway Station centre, located on platform 2, caters to 120 beneficiaries and has good utilization.

Kashimira Police Station has a facility serving 30 beneficiaries, primarily one mother daily, and also provides a resting area for women. CAMA &

Albless Hospital's centre, located in the ANC OPD, is excellently maintained and serves 150 beneficiaries. However, Sir J J Hospital's BFC sees low utilization, benefiting only 30 individuals due to its corner location in the OPD. St. George Hospital supports 120 beneficiaries, averaging four mothers daily, while UHC Hospital caters to 240 individuals, with an average of eight mothers utilizing the facility daily. Rural Hospital in Palghar serves 186 beneficiaries, with six mothers visiting the centre daily. Civil Hospital in Satara, benefiting 124 individuals, is well-maintained and serves an average of four mothers daily.

Kerala : Kerala's Baby Feeding Centers have significant utilization, starting with the General Hospital, which serves 899 beneficiaries, benefiting from a high footfall. Lakeshore Hospital supports 465 beneficiaries, with 15 mothers using the facility daily. The Chottanikkara Temple in Ernakulam has the highest utilization in the state, with 1,550 beneficiaries, attributed to the daily crowds at the temple. Similarly, the Shoranur centre supports 465 beneficiaries, with an average of 15 mothers using it daily.

Karnataka : In Karnataka, the C V Raman Hospital - 1 in Bengaluru has lower usage, with 62 beneficiaries, as the centre is located on a less frequented floor. However, the Sir C V Raman General Hospital - 2 serves 620 beneficiaries, averaging 20 users daily. The Majestic Metro Railway Station centre is well-maintained, with 465 beneficiaries and an

Updates of Baby Feeding Centres

average of 15 mothers daily. On December 18, 2024, new BFCs were inaugurated at Namma Metro Station, Baiyyappanahalli, and Kengeri Bus Terminal Metro Stations in Bengaluru, supported by the Savlamban Foundation.

Tamil Nadu : Tamil Nadu’s Baby Feeding Centers are efficiently utilized. The Institute for Child Health & Hospital for Children in Egmore, Chennai, supports 620 beneficiaries with excellent utilization. The Institute of Obstetrics and Gynaecology in Egmore serves 465 beneficiaries, with 15 mothers visiting daily. Similarly, the Taluk Government Hospital in Chennai caters to 465 beneficiaries, averaging 15 mothers daily.

Bihar : In Bihar, the Katihar Railway Station BFC is functional. It serves 31 beneficiaries and remains in use.

West Bengal : The New Jalpaiguri Railway Station BFC in West Bengal is non-functional due to poor maintenance, including the removal of essential furniture, rendering it unusable.

Andhra Pradesh : In Andhra Pradesh, the Vizag Railway Station Centre supports 465

beneficiaries, with an average of 15 mothers using the facility daily.

With a total of 8,920 beneficiaries, Baby Feeding Centers across these states play a critical role in supporting mothers and their children. These centres, located in hospitals, railway stations, temples, and police stations, are largely functional and well-maintained, except for a few exceptions, such as the New Jalpaiguri Railway Station in West Bengal.

Baby Feeding Centre Inauguration

Namma & Kengeri Bus Terminal
Metro Station, Bengaluru, Karnataka

The Baby Feeding Centers (BFC) were inaugurated at Namma Metro stations in Bengaluru on 18th December 2024. This initiative, implemented by Child Help Foundation (CHF) and supported by SIDBI, aims to provide a comfortable and safe space for mothers to feed their babies while using the metro. The centres were launched at two significant locations: Baiyyappanahalli Metro Station and Kengeri Bus Terminal Metro Station. This project is a step towards promoting convenience and supporting the well-being of mothers and children, enhancing the accessibility of essential facilities for families travelling in the city.

BFC Inauguration

Puri Railway Station, Odisha

The state of Odisha launched its first initiative to create more inclusive railway stations by establishing Baby Feeding Centres (BFCs), secure, private, and comfortable spaces designed for lactating mothers and infants by inaugurating a BFC at Puri Railway Station. This initiative was led by Team Bhubaneswar, consisting of Namrata Prasad, Jayant Parida, Ranu Dinda, Sunita Bal, and Ganesh Lenka, along with Team Cuttack, including Hitesh and Sujata. The event was graced by Mr. Jiji John, Executive Director of CHF, Mrs. Sumana Sarkar, AGM, Mr. Renzdon Rodrigues, CSR Officer of India Exim Bank, and senior railway officials.

Arogya Sadan – Beneficiaries Details

Arogya Sadan has been instrumental in providing care and support to patients and their families during critical medical treatments, particularly Bone Marrow Transplants (BMT). Below is a summary of patient details, categorized based on outcomes and current status:

Master Aarav Kumar – BMT successfully completed on 09/09/2023.

Miss Aradhya Kumari – Successfully underwent BMT on 27/09/2023.

Master Aman Ahirwar – BMT completed successfully on 26/09/2023.

Master Vikrant Thakur – Successfully completed BMT on 28/09/2023.

Master Abhishek Kumar – BMT case completed successfully on 13/11/2023.

Swati Hasanda – BMT completed successfully on 14/01/2024.

Aiyan Reza – Successfully underwent BMT on 14/03/2024.

Taabis Rehan – BMT completed successfully on 02/05/2024.

Deep Kumar – Discharged after a successful BMT on 18/04/2024 and now in Arogya Sadan for aftercare.

Aditya Kumar – After a successful BMT on 20/04/2024, he is receiving aftercare at Arogya Sadan.

Harshwardhan – Discharged post-BMT on 08/06/2024 and is under aftercare.

Ujala Kumari – Discharged from the hospital after a successful BMT on 19/06/2024, now in Arogya Sadan.

Master Narayan Thakur – BMT failed; returned home on 09/09/2023.

Master Aryan Kumar – Transplant cancelled due to an increase in platelet count on 09/09/2023.

Master Amit Kumar – BMT failed; returned home on 07/10/2023.

Akash Kumar – Transplant cancelled on 14/01/2024 due to liver enlargement.

Piyush Kumar – Short stay of 2–3 days on 27/02/2024.

Arogya Sadan has catered to a diverse range of patients, ensuring effective post-treatment care for successful cases and compassionate support for families during challenging times. While many cases have seen positive outcomes, the facility also handles more complex and sensitive situations with care.

Signing of Memorandum of Understanding (MOU) with Bharat Petroleum Corporation Ltd (BPCL)

Maharashtra

Child Help Foundation (CHF) has signed a significant Memorandum of Understanding (MOU) with Bharat Petroleum Corporation Ltd (BPCL), a leading Public Sector Unit (PSU). This partnership will help CHF provide essential support to 500 Tuberculosis (TB) patients in Govandi, Mumbai, Maharashtra.

As part of this collaboration, CHF will provide critical medical equipment, including the MGIT Machine, which is essential for the diagnosis and treatment of TB. Additionally, ration kits will be distributed to meet the nutritional needs of these patients, further supporting their recovery process.

This initiative marks a pivotal moment for both organizations, demonstrating a shared commitment to improving the health and well-being of TB-affected individuals.

Ration Kit Distribution

Maharashtra

On 2nd December, 20 TB Ration Kits were distributed at the TB Arogya Centre, Ideal Park in Mulund. This initiative aimed to help TB patients strengthen their immunity through improved nutrition, which is essential for recovery and overall health.

On 3rd December, an additional 20 TB Ration Kits were distributed at Indira Gandhi Hospital, Mumbai Suburban, and MBMC (Mira-Bhaindar Municipal Corporation) Hospital. This thoughtful effort continued to address the nutritional needs of TB patients, providing essential support for their immunity and recovery journey.

Session on 'Anaemia and Healthy Diet'

Hamrapur Village, Palghar, Maharashtra

A session on 'Anemia and Healthy Diet' was held for women from the Gram Panchayat of Hamrapur village, Manor-Wada, in Palghar District. Facilitated by Dr. Preeti from the School Health Program, the session covered key topics, including the definition of anaemia, its causes, health impacts, and dietary recommendations for prevention and overall well-being. The event was organized by the NSS unit of Nirmala College, Mumbai, with a focus on promoting awareness and fostering better health practices among the participants.

Women's Mental Health Training

Our Lady of Health Church, Virar, Maharashtra

Child Help Foundation, in collaboration with Jivhalla Assumption Social Centre, conducted a training program today at Our Lady of Health Church, Rajodi-Virar, Maharashtra, focusing on women's mental health issues. The program emphasized the importance of mental well-being and addressed topics such as stress and depression management. Participants found the session highly motivating, reporting a significant reduction in their stress levels and a renewed sense of positivity. This initiative highlighted the importance of mental health awareness and support for women in the community.

International Disability Day

Pune, Maharashtra

On the occasion of International Disability Day, the Pune team visited the Indian Red Cross Society's School for Deaf and Dumb Children to celebrate with the students. The team distributed cakes, spreading joy and smiles among the children. This initiative was aimed at promoting inclusivity, celebrating the abilities of these incredible children, and making the day a memorable one for them. It was a heartfelt gesture to acknowledge their strength and resilience, fostering a sense of belonging and celebration for everyone involved.

Meeting with Dr. Parthasarathy and his Team

Chennai Tamil Nadu

On 9th December, the CHF Team in Chennai had the opportunity to meet Dr. Parthasarathy and his team from Dr. Parthasarathy Memorial Eye Hospital, Chennai. During the meeting, we shared details about our programs and achievements, which were well received by Dr. Parthasarathy. He expressed keen interest in forming a long-term association with Child Help Foundation (CHF). Dr. Parthasarathy proposed collaborating on several future initiatives, including:

Eye Camps

CSR Activities

POSH (Prevention of Sexual Harassment) Programs

He also assured his support and contributions toward CHF's mission, laying the foundation for a meaningful and impactful partnership that promises to make a significant difference in the community.

QUALITY EDUCATION (SDG-4) *Newsletter*

Computer Training Centre Silvassa, Daman and Diu

The computer training centre held a total of 112 classes throughout December, with an impressive cumulative attendance of 4,338 students, including 428 unique beneficiaries. The curriculum covered a wide range of subjects, such as Microsoft Word, PowerPoint, Excel, Paint, and English typing, providing students with essential digital skills to enhance their proficiency.

Since May 2024, the Digital Skills project has been successfully implemented across fifteen schools in the Vikramgad block, including eight Z.P. schools and seven ashram schools. This initiative aims to empower underprivileged rural students by enhancing their digital skills through computer training.

In December, trainers conducted 686 classes across these schools, reaching a total of 24,113 students, including 5,156 unique beneficiaries. The sessions featured a combination of hands-on practical demonstrations, theoretical

lessons, and engaging extracurricular activities such as games, skits, and rhymes.

As part of the capacity-building efforts, a Training of Trainers (TOT) program was organized in all fifteen schools. The sessions focused on various computer-related skills essential for daily tasks, including Microsoft Excel, Microsoft Word, data entry and storage techniques, and internet browsing. A total of 211 teachers actively participated in the training, further strengthening the program's impact.

Computer Training Centre Amboli, Dadra and Nagar Haveli

Throughout December, the instructor successfully conducted 64 classes with a total of 958 students, including 147 unique beneficiaries. The curriculum included essential topics such as basic internet browsing, using the Paint tool, creating digital storybooks, building spreadsheets in Excel, and applying formulas. The computer training centre is dedicated to equipping students with crucial digital skills, enhancing both their personal and professional development.

Child Help Foundation and its Project Overview (Sevier's NGO Partner) - Centre For Excellence Maharashtra

Child Help Foundation (CHF), with the support of Servier, successfully launched the "Supportive Classes" initiative for 8th, 9th, and 10th-grade students at Bhopoli Ashram Shala in Jawhar Block, Palghar district, Maharashtra. This project aimed to address the challenges students face in challenging yet scoring subjects such as Mathematics, Science, and English. The supportive classes provided targeted coaching, helping students better understand complex concepts and improve their academic performance. In partnership with Servier Pvt. Ltd., CHF delivered focused lessons on topics in Mathematics, including Linear Equations in Two Variables, Quadratic Equations, Financial Planning, Probability, Statistics, Similarity, the Pythagorean Theorem, and Geometric Constructivism.

The science lessons taught in the classes covered key topics such as gravitation, classification of elements, the effects of electric current, heat, refraction of light, lenses and their uses, and space missions. Beyond academic coaching, the project emphasized the overall development of students by providing essential educational resources. In collaboration with Servier, these resources played a crucial role in enriching the student's learning experiences last year, promoting not only academic growth but also fostering creative development and holistic progress.

Centre Of Excellence Project

Mumbai Suburban, Maharashtra

The Supportive Education and Digital Learning components of the Centre of Excellence project are currently being implemented at three MBMC schools: MBMC School No. 20 Mire School, MBMC School No. 36 Bandarwadi School, and MBMC School No. 24 Morva School. Computer teachers are delivering lessons based on the developed syllabus, with all teachers consistently attending school.

Additionally, a Protection of Children against Sexual Offences (POCSO) training session was conducted by Ms. Mary Vanmali, Resource Person from Child Help Foundation, at the three schools. The session received an active and positive response from the students.

STEM Lab Installation and Upcoming Inauguration

Goa

Child Help Foundation (CHF) has established a STEM Lab at the Government High School, Tharmatha Bhile, Surla, Bicholim, North Goa, as part of a pilot project supported by Skypath Solutions Pvt. Ltd., the Goa CSR Authority, and the Government of Goa. Following the lab's installation and teacher training, Mr. Rajendra Pathak, Founder & Managing Trustee of CHF, along with a representative from the Goa CSR Authority, visited the school in December to assess additional needs for the lab. During the visit, the school highlighted the need for essential furniture, including tables, chairs, and other items to fully equip the lab. Once the furniture is arranged and the lab is fully equipped, the official inauguration will be conducted by the Chief Minister of Goa, scheduled for January.

Centre Of Excellence Review with Additional Municipal Commissioner, MBMC

– Mumbai, Maharashtra

Child Help Foundation has been awarded the opportunity to implement its project in three schools. This initiative, driven by a mission to transform lives, seeks to empower students with academic excellence, holistic development, and digital literacy while addressing critical health and hygiene needs.

Empowering the Future: Driving Change through Infrastructure.

Bihar

Child Help Foundation is thrilled to announce the successful completion of a transformative project in New Government Schools, Chintamani, Karnataka. This initiative, focused on "Making Schools Better," highlights the foundation's commitment to empowering future generations by improving educational infrastructure. It serves as a testament to CHF's dedication to creating an environment where students can thrive and reach their full potential.

New Year's Event

Talwada Ashram School
Palghar, Maharashtra

At the end of December 2024, a series of events took place at Talwada Ashram School, located in Palghar District. The activities included a speech competition focused on raising awareness about female foeticide, a street play performance by students addressing child marriage, and an essay writing competition. A total of 600 students benefited from these initiatives. The students also welcomed the New Year with Child Help Foundation (CHF). Trophies and certificates were distributed to the winners, marking the occasion.

Stationery Distribution

Sri Banashankari Vidya Peeta High
School, Bengaluru, Karnataka

Child Help Foundation Bengaluru branch distributed stationery items provided by SmartQ at Sri Banashankari Vidya Peeta High School. These materials were given to the most underprivileged students, ensuring that the children from the poorest backgrounds received essential educational support.

Ashraya Lunch Donation

Odisha

On 3rd December, a compassionate donor chose to celebrate her birthday in a meaningful way by spending time with the children of Ashraya Orphanage, Bhubaneswar, Odisha. She generously contributed to providing a hearty lunch for everyone, creating moments of happiness and togetherness. The children thoroughly enjoyed the meal and the thoughtful gesture, making this day truly special for all involved. We extend our heartfelt thanks to the donor for her kindness and support.

St. Mary's School Supports Needs Charitable Trust

Bengaluru, Karnataka

On 20th December 2024, St. Mary's School extended its support to Needs Charitable Trust, Bengaluru, by donating essential groceries and other items to support the Trust's initiatives.

The donated items included 5 sacks of rice, 10 kg of toor dal, 10 kg of sugar, 20 liters of cooking oil, 10 kg of various dals, 1 box of detergent, phenyl, and moisturizer, 1 box of biscuits, 1 box of stationery items, 8 kg of spices. Additionally, a Collection Box was placed at St. Mary's School, encouraging students to contribute. This act of generosity exemplifies the school's collective spirit of compassion, making a meaningful contribution to the community and supporting the efforts of Needs Charitable Trust.

Life Skills Project (ARSH Initiatives)

Maharashtra

From 3rd to 5th December 2024, the Beneficiaries Verification Process was conducted by CSR representative Mr. Shivanand Pol at eight Ashram Schools, including Pali Ashram School, Aamgao Ashram School, Gonde Ashram School, Aina Ashram School, Sakhare Ashram School, and Kurunze Ashram School, among others.

During the CSR visit, prizes were distributed to the winners of the Kishori Manch at Aina Ashram School and Kurunze Ashram School. Additionally, participation certificates were awarded to CHF trainers and SPOC personnel for their active involvement in the training sessions.

Target & Details of Beneficiaries till December 2024

The ARSH-based (Adolescent Reproductive and Sexual Health) life skills initiative has achieved significant milestones while continuing progress in other areas. A total of 8,591 adolescents have been reached, moving closer to the target of 10,000. Additionally, 403 Kishori Manch groups have been formed, nearing the goal of 450, and 148 key influencers have been oriented, just two short of the target of 150.

Remarkably, the number of action plans created by Kishori Manch has exceeded expectations, reaching 215 compared to the target of 140. Similarly, 185 action plans have been implemented, surpassing the target of 140. These accomplishments highlight the proactive engagement and commitment of the initiative's participants.

However, progress remains ongoing in certain areas. Only 62 referrals have been completed against the target of 100, and 41 girls have been integrated with government schemes, compared to the goal of 100. Additionally, while the target for girls' champions is 150, only 6 girls have been identified as champions thus far.

Overall, while there are areas requiring further attention, the initiative is on a promising trajectory toward achieving its overarching goals.

GENDER EQUALITY (SDG-5) Newsletter

- An awareness program was conducted at Talwada Ashram School Palghar. This program included a street play performed by the students on the topic of child marriage and a speech competition on female foeticide. 650 students were present at this activity.

“Invisible Girl” Project

Highlights of the Month

Maharashtra

- Ms. Priya Juliet had asked for the segregation of data in terms of the number of sessions in schools, colleges and communities, and age group. Compilation of impact stories and FAQs for Mumbai, as well as PowerPoint presentations for teachers, school, college, and community groups.
- The focus for December was to conduct sessions with the teachers. 23 sessions were conducted with teachers in different schools at Palghar. CHF reached out to 223 teachers through these sessions. Certificates of appreciation were distributed to the schools and colleges.

"Good Touch Bad Touch" Session

Mumbai Suburban, Maharashtra

From 17th to 20th December 2024, a series of POC SO sessions focusing on "Good Touch Bad Touch" was conducted across three MBMC (Mira-Bhaindar Municipal Corporation) schools under the Centre of Excellence project:

1. MBMC School - Mire (17th December 2024):

- Participants: 200 students from 1st to 7th standard.
- The session aimed to raise awareness about personal safety and boundaries.

2. MBMC School - Morva (19th December 2024):

- Participants: 180 students, with two sessions held: one for 1st to 4th standard and the other for 5th to 7th standard.
- The sessions focused on educating students about identifying safe and unsafe touch.

3. MBMC School - Bandarwadi (20th December 2024):

- Participants: 180 students, with two separate sessions for 1st to 4th standard and 5th to 7th standard.

The program aimed to instill a sense of personal security and awareness among the children.

GENDER EQUALITY (SDG-5) Newsletter

4. ZP School - Gokhivare, Vasai (21st December 2024):

- Participants: 150 students from 1st to 5th standard.
- The session focused on raising awareness about "Good Touch Bad Touch" and the POCSO Act, educating students on personal safety and protection.
- The celebration included dance performances, games, and cake distribution, generously provided by Ms. Regina Almeida, President of the Sodality Group and representative of Mahila Dakshata Samiti, Vasai Police Station.
- These initiatives are part of CHF's ongoing efforts to educate children on the importance of personal safety and help protect them from abuse.

CHF POSH Annual Report Submission & Networking Meeting

On 13th December 2024, Child Help Foundation (CHF) submitted its POSH Annual Report 2024 to the District Women and Child Development office in Thane, Maharashtra. The report outlines CHF's initiatives and compliance with the Prevention of Sexual Harassment (POSH) Act. During the visit, CHF representatives met with Mr. Amol Wagh, Supervisor of Child Line, to discuss potential training and collaboration opportunities related to the Protection of Children from Sexual Offences (POCSO) Act.

Additionally, they engaged with Ms. Rekha Hire, a Protection Officer from the department, to explore partnerships between POSH and the One Stop Centre, aiming to support women victims of gender-based violence. These engagements reflect CHF's commitment to enhancing child protection and supporting women affected by gender-based violence through strategic collaborations.

Blanket Distribution Andhra Pradesh & Telangana

On 29th December 2024, Child Help Foundation (CHF) organized an event called "Warm Winter for All" to distribute Blanket Kits to street dwellers and economically weaker communities. The initiative took place in Vizag and the Banjara community at Nidi Gadda Thanda village, Telangana.

The CHF Vizag branch bid farewell to the year 2024 by distributing blankets and baby sleeping sacks to homeless individuals and street dwellers. Similarly, in Telangana, the event aimed to support the economically weaker Banjara community.

The Telangana event was attended and graced by prominent dignitaries, including the former minister and tribal leader Mr. Amarsingh Tilawat, AIBSS National Treasurer Mr. B. Venkanna, and member of the

Telecom Advisory Committee Mr. B. Nageshwar Rao. Their presence highlighted the significance of the event and its impact on the community.

Through "Warm Winter for All," CHF reaffirmed its commitment to providing warmth and care to those in need, making the season more comfortable for the less privileged.
