Child Help Foundation Celebrates its 14th Foundation Day

About Us *Newsletter*

Child Help Foundation (CHF) is a pan-India non-profit organization, registered under the Bombay Public Trust Act 1950, which started in the year 2010. We aim to accomplish the objectives set by the United Nations Sustainable Development Goals (UN SDGs) for global development. Child Help Foundation's principal purpose is to empower the disadvantaged holistically with some of our initiatives like Emergency Medical Support, Education, Clean Water and Sanitation, Gender Equality, Zero Hunger, Humanitarian Relief, and Village Development.

Child Help Foundation Celebrates its 14th Foundation Day

Newsletter

On November 19, 2024, at Bharat Ratna Gaansamragyi Lata Mangeshkar Natya Gruha Auditorium, Mumbai Suburban, hundreds of Child Help Foundation (CHF) volunteers and managing committee members gathered to celebrate CHF's 14th Foundation Day. Volunteers were recognized with titles based on their years of service: 'Ninja Warrior' (3-4 years), 'Rising Star' (5 years), 'Zesty Flag Bearer' (7+ years), and 'Sparkling Gem' (10+ years). Special tributes were paid to Ms. Sendra D'Souza and Mr. Jayanta Parida for their exceptional contributions. The event highlighted the dedication and unity of CHF's team, reflecting their collective commitment to social betterment.

Over the past 14 years, significant strides have been made in advancing Sustainable Development Goals (SDGs) through impactful initiatives that have benefitted over **50 lakh** beneficiaries. Key achievements include supporting **3,39,447** beneficiaries under SDG 3 (Good Health and Well-Being), providing **5,34,434** individuals with access to Quality Education (SDG 4), and ensuring 1,16,217 people benefited from Clean Water and Sanitation initiatives (SDG 6). Efforts toward Zero Hunger (SDG 2) reached an impressive **25,93,347** beneficiaries, while **1,29,967** individuals were impacted through programs promoting Gender Equality (SDG 5). Humanitarian relief efforts aligned with SDGs 11, 13, and 17 supported 11,34,590 beneficiaries, and initiatives focusing on Life Below Water (SDG 15) significantly

impacted **20,946,120** marine lives. Contributions to Life on Land (SDG 14) helped **63,597** plants and animals, and events aligned with SDGs 8 & 10 collectively benefitted **2,187** people. Lastly, a Child-Friendly Police Station has been established, which has helped **1,128** people.

Over the years, Child Help Foundation has established many important projects to serve the community like Arogya Sadan, which caters to the needs of out-of-state patients seeking treatment in Mumbai, Baby Feeding Centers, providing a centre for mothers to feed their children, Child For Child Program, creating awareness through children, and Monthly Ration Kit Distribution to Pediatric Tuberculosis patients. CHF's strong focus on holistic development is complemented by initiatives like environmental conservation drives and capacity-building workshops. For their efforts, CHF has been lauded with many awards like the 'Farm & Food Krushi Samman Award 2024' by Delhi Press Magazines, 'Best NGO for Centre of Excellence in Education 2024' by Global CSR & ESG Awards and others.

The 14th Foundation Day celebration was a testament to Child Help Foundation's unwavering dedication to creating a positive impact in society. By honouring its volunteers and highlighting its achievements, CHF reaffirmed its commitment to advancing Sustainable Development Goals and serving marginalized communities.

A Father's Hope: Help Save Little Jasvanth

"My son is just five years old, and he has already been through so much. It's hard to see him in the hospital, but we are hopeful that he'll overcome this illness. He needs a little help to keep fighting."

—Shiva (Father)

Jasvanth's life has been filled with challenges from the very start. Born prematurely at eight months, he was often unwell, and prone to frequent infections, and his parents grew used to rushing him to the doctor. However, a few months ago, their lives changed when Jasvanth was diagnosed with **Acute Myeloid leukaemia (AML)**, a severe and life-threatening form of blood cancer.

Doctors at **Medicover Cancer Institute in Vizag, Andhra Pradesh**, have recommended a **Bone Marrow Transplant** to give Jasvanth a fighting chance. The treatment costs **Rs. 15,00,000 (Rupees Fifteen Lakh Only)**, a sum unimaginable for his father, Shiva, a labourer who works tirelessly to support his family of four. Living in a small rented home, Shiva and his wife Durga, a housewife, have done everything possible, borrowing money and using all their savings to get treatment for their young son.

Jasvanth has shown great courage in the face of his illness, but he needs urgent support to access the life-saving treatment he deserves. Your contribution can bring hope to Jasvanth and his family.

There are many more children who need urgent treatments, and your small contributions can make a huge difference. [Please Donate!](#)

Aaruhi Pardeshi

Aaruhi, an 11-year-old battling Atrial Septal Defect (ASD), has finally received the life-saving surgery she needed, thanks to the generous support of donors. We at Child Help Foundation are deeply grateful to everyone who contributed. Your kindness has given Aaruhi a healthy future and her family renewed hope. Thank you for making this possible!

Tanaya Ughade

Tanaya, a 12-year-old from Maharashtra, has battled a heart condition since infancy. With your generous support and the efforts of Child Help Foundation donors, she successfully underwent life-saving treatment. Tanaya can now enjoy a healthy and happy childhood. We are deeply grateful to everyone for making this transformation possible. Thank you for giving her a new lease on life!

Arpan Raj

Arpan, a 9-month-old from Bihar, was diagnosed with Hepatoblastoma, a rare liver cancer, needing an urgent liver transplant costing Rs. 16,50,000. With your incredible generosity and Child Help Foundation's support, Arpan successfully underwent the life-saving procedure. His parents are overjoyed to see their son healthy and thriving. Thank you for giving Arpan a second chance at life!

Omchaitanya Bhue

Omchaitanya, a six-year-old from Solapur, Maharashtra, was diagnosed with a heart condition requiring surgery costing Rs. 3,50,000. With the support of Child Help Foundation and your heartfelt donations, Omchaitanya successfully underwent the life-saving procedure. His family is grateful as he leads a healthier, happier life. Thank you for making this possible!

Ranjeet Singh

Three-year-old Ranjeet from Gurugram was diagnosed with a severe heart disease, leaving his family devastated. Thanks to the unwavering support of Child Help Foundation and generous donors, Ranjeet successfully underwent life-saving open-heart surgery. He is now on the path to recovery, bringing joy back to his family. Heartfelt thanks to everyone who contributed!

Twins of Jyoti

Jyoti's twins, born prematurely at seven months, faced a tough start to life. With the babies in the NICU and the treatment costing Rs. 8,00,000, their father, Ganesh, struggled to meet the expenses. Thanks to Child Help Foundation and the generosity of donors, the twins are now on their way to recovery. Heartfelt gratitude to all who contributed!

Om Lad

Om Bhimrao Lad, a 15-year-old boy from Buldana, Maharashtra, is battling Thalassemia Major and urgently needs a bone marrow transplant, with a cost of Rs. 22,00,000. His father, Bhimrao, a daily wage labourer, has sold their house and taken loans to afford treatment. Thanks to the support of generous donors, Om's family has saved his life.

Midhul P. L

Midhul, a 17-year-old boy from Aluva, Kerala, suffered a severe head injury in an accident, leaving him in critical condition. Doctors at Rajagiri Hospital have recommended prolonged treatment and surgeries, including Cranioplasty, costing ₹10,00,000. His mother, Rajani, a labourer, has exhausted all resources. We are grateful to the generous donors who have helped give Midhul a fighting chance. Your kindness has made a difference in his recovery!

Celebrating Fourteen Years of Bringing Smiles with Child Help Foundation *Newsletter*

Fourteen years ago, Child Help Foundation (CHF) began its journey with a mission to make a difference in the lives of underprivileged individuals across India. Driven by compassion and a commitment to creating lasting change, CHF has dedicated itself to a variety of causes—thanks to the support of volunteers, donors, and well-wishers. Today, CHF stands proud, having positively impacted millions. Join us as we reflect on CHF's incredible journey across fourteen years of transformative work.

Through CHF's efforts, **3,949** children suffering from terminal illnesses such as cancer, heart disease, and thalassemia have received life-saving interventions. CHF's healthcare outreach has also created safer spaces for **1,63,462** mothers to breastfeed their children and shifted **2,76,420** perspectives on health through various awareness programs.

CHF's Arogya Sadan provides accommodation, meals, and support for underprivileged patients with diseases like thalassemia who are travelling to Mumbai for treatment. Additionally, in collaboration with Brihanmumbai Municipal Corporation (BMC) and Mira Bhaindar Municipal Corporation (MBMC) under the Pradhan Mantri TB Mukht Bharat Abhiyan, CHF distributes monthly ration kits to tuberculosis patients, helping them strengthen their immune systems.

Education is key to transforming futures, and CHF has provided **5,34,434** students with

access to quality education. From distributing educational materials and establishing Mini Science Centres to creating computer labs, CHF's efforts have empowered children across India. By bringing engaging educational resources to underserved areas, CHF nurtures a brighter future for young learners.

With a vision for clean water and sanitation, CHF has made remarkable strides. To date, **100** toilets have been constructed, benefitting over **13,660** people, and **59** water purifiers have been installed, providing clean water to 21,804 people. CHF's menstrual hygiene initiatives have reached **14,128** people and distributed 4,26,008 sanitary pads for free, promoting menstrual health and breaking taboos around menstruation.

Gender equality is an important initiative for CHF, with **1,29,967** people sensitised on the topic through sessions on POSH (Prevention of Sexual Harassment) and POCSO (Protection of Children from Sexual Offences). CHF organises self-defence classes and Adolescent Reproductive and Sexual Health (ARSH) sessions, educating **8,066** individuals on gender equality and personal safety, fostering safer communities for all.

CHF's initiatives have provided nutritious meals to **25,93,347** people. Partnering with ISKCON, the 'Aatmanirbhar Palghar' project serves nutritious food to end malnutrition in

STEM Lab

Goa

CHF collaborated with the Goa CSR Authority to propose the establishment of STEM Labs in government schools across Goa. As part of this initiative, a pilot project was launched at the **Government High School, Tharmatha Bhile, Surla, Bicholim, North Goa.**

To equip the STEM Lab, CHF procured **46** science and mathematics models, **12** science charts, and a periodic table from the Vikram A.

Sarabhai Community Science Centre. Additionally, racks and tables were ordered to set up the lab infrastructure. Two MSC Coordinators, Mr. Jagannath Khirari and Mr. Dinesh Madi, were tasked with training the school teachers in using the STEM Lab effectively. Later, Ms. Jyoti Kamble (Assistant Manager-Projects) and the MSC Coordinators travelled to Goa to install the models and prepare the lab.

A training session was organised for **20** teachers and staff members to emphasise the benefits of the STEM Lab for students and the importance of equipping educators with essential skills to maximise its impact. During the session, trainers provided detailed demonstrations and explanations of all **46** models. The training was interactive, featuring activities where teachers actively created demo models. This hands-on approach was met with enthusiastic participation and appreciation from the attendees.

The session concluded with positive feedback, and the school principal expressed gratitude to CHF for providing valuable training and resources to enhance the learning experience for students.

School Health Program

Palghar, Maharashtra

The School Health Program focuses on a range of physical and mental health activities, including student health screenings, illness treatment, and capacity building for students and teachers through awareness sessions and counselling activities. The program is implemented in fourteen schools in the Vikramgad block of Palghar district of Maharashtra, benefiting over **ten thousand** underprivileged tribal students. Additionally, special days and events are celebrated in these schools to engage students and teachers in raising awareness on relevant topics such as World Mental Health Day and other topics such as anxiety, fear of exams, and sexual reproductive health.

In November, the following activities were implemented:

- A total of **473** students were screened during 15 health visits conducted by the

team, with their health cards duly filled. The number of beneficiaries covered this month was lower than usual due to the Diwali holidays, during which schools were closed.

- A total of **434** illness cases were treated by doctors, with medications provided. The reported cases included anaemia, dental issues, ophthalmic conditions, ENT problems, and gynaecological concerns.
- **02** students were referred for further treatment to Rural Hospital, Vikramgad, Sambare Hospital, Zadpoli, Civil Hospital, Palghar, and Rotary Hospital, Talwada.
- **Health and Social Behaviour Awareness:** A total of **3143** students from primary, secondary, and higher secondary sections attended **44** awareness sessions on topics such as good touch & bad touch, menstrual health, POSH-POCSO, peer pressure, anaemia, and nutrition.
- **Mental Health Awareness: 2,666** students from secondary and higher secondary sections participated in **42** sessions on mental health topics, including managing thoughts, learning disorders, and the value of relationships.
- **Personal Counselling:** Individual counselling services were provided to **19** students to address various mental health concerns.
- **Teacher Capacity Building:** A Training of Trainers (TOT) session was conducted in four schools, attended by **47** staff members, including hostel superintendents and teachers. Facilitated by counsellors, the training covered topics such as POSH, POCSO, and mental health.

Children's Day Celebration

Murbad Ashram School
Palghar, Maharashtra

On November 14, Child Help Foundation team organised a series of fun and engaging activities for the students of Murbad Ashram School, Palghar. The day featured a drawing competition on the theme of "Environment," alongside activities such as relay races, bucket ball toss, and thumb painting. The drawing competition highlighted the students' creativity, while the relay and bucket ball toss showcased their teamwork and spirited participation. The thumb painting activity was particularly enjoyable, sparking enthusiasm among the children. The event concluded with a prize distribution ceremony where winners received trophies, and all participants were awarded certificates of participation in recognition of their efforts. The coordinator from CHF addressed the students, explaining the significance of Children's Day and emphasising the importance of cherishing

their childhood. She also commended the enthusiasm and active participation of the students, teachers, and school principal during the event.

In his vote of thanks, Mr. Khotre, the school principal, expressed heartfelt gratitude to CHF for organising such meaningful and enjoyable activities, which brought joy and learning to the students.

Centre Of Excellence Project Maharashtra

The digital learning segment of the Center of Excellence commenced in November 2024. Computer trainers were recruited in 3 schools: MBMC School No. 20-**Mire School**, MBMC School No. 36-**Bandarwadi School**, and MBMC School No. 24-**Morva School**. The syllabus from class I to VII was given to the teachers. They have started providing computer education to the target group.

“Invisible Girl” Project

Maharashtra

Highlights of the Month:

Ms. Priya Juliet provided valuable guidance to the team on strategies for updating content and enhancing presentations to effectively cater to diverse target audiences. After preparing training modules and PowerPoint presentations for groups, students, and teachers, the team received constructive feedback and incorporated the necessary corrections.

The team also developed a tentative plan to engage teachers, students, and children in local communities and groups to build a network of Change Agents. Certificates were prepared for distribution to the schools and colleges that supported the project during its first and second phases.

The plan to continue outreach efforts will commence after exams in schools and colleges in Mumbai and Palghar.

Haryana

Highlights of the Month:

- The team successfully conducted a total of 38 sessions this month. The total number of beneficiaries reached this month was 3,916 in Rewari and 3,162 in Gurugram, bringing the overall total to 7,078.
- The IGP team focused on strategic planning and brainstorming ideas to achieve set goals. This involved evaluating timeframes, securing necessary permissions, and refining execution strategies to ensure effective outcomes.
- Additionally, one session was held with the Bawal community, and 37 sessions took place in schools across Rewari and Gurugram, with the November school sessions being particularly successful.
- Several schools have granted permission for sessions next month, and the Government College in Rewari has also given approval for upcoming sessions.
- A challenge faced during the month was the government-declared holiday for a week due to severe pollution levels, which affected scheduling.
